Re: Notice of Interference Acceptance

Dear Dave:

I understand that Cooperative Television Association of Southern Minnesota ("CTV") plans to file an application with the FCC to flash-cut Station K26CS, St. James, MN (Facility ID I3844) to Channel 26-D. I also understand that CTV's proposal is predicted to cause interference to K26IP-D, Frost, MN (Facility ID 167536), a digital companion channel construction permit held by Blue Earth-Nicollet Faribault Cooperative Electric Association ("BENCO").

BENCO hereby agrees to accept interference caused by CTV's flash-cut operations on Channel 26-D at St. James to BENCO's K26IP-D at Frost, MN.

You have BENCO's permission to file a copy of this letter with the FCC in connection with CTV's flash-cut application for K26CS, St. James, MN.

Sincerely yours,

A handwritten signature in black ink that reads "Wade R. Hensel". The signature is written in a cursive style with a large, looped "W" and a clear "Hensel" at the end.
