**I. Introduction**

This and related applications seek the Commission’s consent to the merger of a subsidiary of Entercom Communications Corp. (“Entercom”) with and into CBS Radio Inc. (“CBS Radio”), which is currently a wholly owned indirect subsidiary of CBS Corporation (“CBS”). The merger will result in (i) the transfer of control of CBS Radio from National Amusements, Inc., the controlling shareholder of CBS, to Entercom, and (ii) the transfer of control of Entercom from Joseph M. Field, who currently holds a majority of the voting power in Entercom, to the post-merger shareholders of Entercom generally, none of whom will have control.

Because the merger would result in Entercom owning radio stations in certain markets in excess of the limits set forth in the Commission’s local radio ownership rule, 47 C.F.R. § 73.3555(a), CBS Radio and Entercom are also simultaneously seeking consent to assign the licenses for certain radio stations to a divestiture trustee, who will be charged with promptly selling the stations to third parties to the extent such stations have not been sold as of the closing of the Transactions (as defined in Section II below).<sup>1</sup>

Thus this application is one of three sets of applications being filed concurrently:

- Twenty-two applications seeking consent to the transfer of control of the licenses of the radio stations identified on Appendix A hereto (the “CBS Radio Applications”).
- Nine applications seeking consent to the transfer of control of the licenses of the radio stations identified on Appendix B hereto (the “Entercom Applications”).
- Nine applications seeking consent to the assignment of the radio station licenses set forth on Appendix C hereto (the “Divestiture Trust Applications”).<sup>2</sup>

The parties request that the Commission process and act upon the CBS Radio Applications, the Entercom Applications and the Divestiture Trust Applications (collectively, the “Applications”) concurrently.<sup>3</sup>

---

<sup>1</sup> As set forth in more detail in Section VII below, to the extent such stations are under contract to be sold as of the closing, the divestiture trustee shall assume Entercom’s obligations under such contracts in order to complete the sale of such stations.

<sup>2</sup> The Divestiture Trust Applications include more than the 14 station divestitures required to comply with the FCC’s local radio ownership rule. The parties are seeking consent to assign to the divestiture trust more than the required number of stations in order to retain the flexibility to select the exact stations to be placed in trust during the period between the filing of the Applications and the closing. At closing, the parties will place into trust no fewer than the 14 required station divestitures (unless any such required divestiture has taken place at or prior to closing) and no more stations than are allowable under the Commission’s local radio ownership rule. The parties will amend the Divestiture Trust Applications to specify the stations that will be assigned to the trust.

## **II. Description of Transactions**

The Transactions will take place in a series of sequential near-simultaneous steps as set forth in greater detail below. In summary, CBS will separate CBS Radio from CBS through a split-off, followed, if necessary, by a spin-off (collectively, the “Separation”). A wholly owned subsidiary of Entercom will then be merged with and into CBS Radio, with CBS Radio surviving as a wholly owned subsidiary of Entercom (the “Merger”). Contemporaneously with the Merger, Entercom will contribute all of the issued and outstanding equity interests of its direct subsidiary, Entercom Radio, LLC (“Entercom Radio”), to CBS Radio (the “Contribution”).

### **A. Separation**

CBS Broadcasting Inc. (“CBS Broadcasting”), which currently directly owns all of CBS Radio’s outstanding common stock, will distribute all of the outstanding shares of CBS Radio’s common stock to Westinghouse CBS Holding Company, Inc. (“Westinghouse”), CBS

---

<sup>3</sup> The applicants are contemporaneously filing separate applications with the Wireless Telecommunications and International Bureaus seeking Commission consent to the transfer of control of microwave, land mobile and earth station authorizations held by subsidiaries of CBS Radio and Entercom and used in the operation of CBS Radio’s and Entercom’s broadcast stations.

The parties intend that the applications filed in connection with the Transactions include all of the licenses and other FCC authorizations held by CBS Radio, Entercom, and their subsidiaries. Such companies may now have on file, and may hereafter file, additional requests for authorizations for new or modified facilities that may be granted before the Commission takes action on the Applications. Accordingly, the applicants request that any Commission approval of the Applications include authority for the post-Merger shareholders of Entercom generally to acquire control of: (1) any authorization issued to CBS Radio or Entercom or their subsidiaries relating to their broadcast businesses while the Transactions are pending before the Commission and during the period required for consummation of the Transactions; and (2) any applications filed by CBS Radio, Entercom, or their subsidiaries relating to their broadcast businesses that are pending at the time of consummation. Such action would be consistent with prior decisions of the Commission. *See, e.g., Applications of AT&T Inc. and Cellco Partnership d/b/a Verizon Wireless*, Memorandum Opinion and Order, 25 FCC Rcd 8704, 8773, ¶ 165 (2010); *SBC Communications Inc. and AT&T Corp. Applications for Approval of Transfer of Control*, Memorandum Opinion and Order, 20 FCC Rcd 18290, 18392, ¶ 212 (2005); *Applications of AT&T Wireless Services, Inc. and Cingular Wireless Corp. for Consent to Transfer Control of Licenses and Authorizations*, Memorandum Opinion and Order, 19 FCC Rcd 21522, 21626 ¶ 275 (2004). The parties also request that Commission approval include any authorizations that may have been inadvertently omitted. Similarly, pursuant to Sections 1.927(h), 1.929(a)(2), and 1.933(b) of the Commission’s Rules, to the extent necessary, the applicants request a blanket exemption from any applicable cut-off rules in cases where the licensees in these Transactions file amendments to pending applications in order to reflect consummation of the proposed Transactions so that such amendments are not treated as disqualifying amendments. The nature of the proposed Transactions demonstrates that the ownership changes are not being made for the purpose of acquiring any particular pending application, but as part of a larger transaction undertaken for an independent and legitimate business purpose. Grant of this request would be consistent with prior Commission decisions that routinely have granted a blanket exemption in cases involving multiple-license transactions. *See, e.g., Applications of PacifiCorp Holdings, Inc., and Century Telephone Enterprises, Inc. for Consent to Transfer Control of Pacific Telecom, Inc., a Subsidiary of PacifiCorp Holdings, Inc.*, Memorandum Opinion and Order, 13 FCC Rcd 8891, 8915 ¶ 47 (1997); *Applications of NYNEX Corp. and Bell Atlantic Corp.*, Memorandum Opinion and Order, 12 FCC Rcd 19985, 20091, 20092 ¶ 234 (1997).

Broadcasting's direct parent (the "First Distribution"). Westinghouse will then distribute all of the outstanding shares of CBS Radio's common stock to Westinghouse's direct parent, CBS (the "Second Distribution"). After the Second Distribution, all of the outstanding shares of CBS Radio will be directly owned by CBS.

CBS will then exchange shares of CBS Radio's common stock for shares of CBS's Class B common stock tendered to CBS by participating CBS shareholders through an exchange offer (the "Exchange Offer"). To the extent any shares of CBS Radio's common stock are unsubscribed in the Exchange Offer, CBS will distribute the unsubscribed shares of CBS Radio's common stock on a pro rata basis to the holders of outstanding shares of CBS's Class A and Class B common stock whose shares remain outstanding after the consummation of the Exchange Offer (such pro rata distribution, if any, the "Clean-Up Spin-Off," and together with the Exchange Offer, the "Final Distribution"). Following the Final Distribution, all issued and outstanding shares of CBS Radio common stock will be owned by holders of CBS common stock who subscribed in the Exchange Offer or received shares through the Clean-Up Spin-Off.

**B. Merger**

Immediately following the Final Distribution, Constitution Merger Sub Corp. ("Merger Sub"), which is a wholly owned subsidiary of Entercom, will merge with and into CBS Radio, with CBS Radio surviving as a wholly owned subsidiary of Entercom. At the effective time of the Merger, each outstanding share of CBS Radio's common stock will be converted into the right to receive an equal number of shares of Entercom Class A common stock. At the Merger, the equity participation rights of employees of CBS Radio, such as options and restricted stock units, will be converted into similar Entercom equity participation rights. After the completion of the Merger, such employees of CBS Radio and holders of CBS common stock who received CBS Radio shares in the Final Distribution, will collectively hold approximately 72% of the outstanding shares of Entercom's common stock on a fully-diluted basis in the aggregate, and pre-Merger Entercom shareholders and employees will own approximately 28% of Entercom's common stock on a fully-diluted basis in the aggregate.

**C. Contribution**

As noted above, immediately following the effectiveness of the Merger, Entercom will contribute all of the issued and outstanding equity interests of Entercom Radio to CBS Radio, at which point Entercom Radio will become a wholly owned subsidiary of CBS Radio.

**D. Timing of Transactions**

The Separation (including the First Distribution, the Second Distribution, and the Final Distribution), Merger, and Contribution (collectively, the "Transactions") will occur on the same

day in a continuous, uninterrupted series. The Commission has previously held that one application may be used to seek approval of a multi-step transaction of this nature.<sup>4</sup>

Attached at Appendix D to this Comprehensive Exhibit are diagrams showing the structure of CBS Radio and Entercom both before and after consummation of the Transactions.

### **III. Agreements**

The Transactions will be effectuated pursuant to a Master Separation Agreement (the “Separation Agreement”), dated February 2, 2017, between CBS and CBS Radio, and an Agreement and Plan of Merger (the “Merger Agreement”), dated February 2, 2017, by and among CBS, CBS Radio, Entercom and Merger Sub. Copies of the Separation Agreement and the Merger Agreement are attached at Exhibit 7 to this application.

The parties have excluded the exhibits and ancillary documents to the Merger Agreement and the schedules to the Separation Agreement. As a result, the parties have answered Section III, Question 3, and Section IV, Question 5 “no.”<sup>5</sup> The excluded Merger Agreement documents include:

- Exhibit B-1: Form of Trademark License Agreement (CBS Radio Brand)
- Exhibit B-2: Form of Trademark License Agreement (TV Station Brands)
- Exhibit B-3: Form of Trademark License Agreement (CBS Sports Radio Brand)
- Exhibit C: Form of Joint Digital Services Agreement
- Exhibit D: Form of Tax Matters Agreement
- Exhibit E: Form of Transition Services Agreement
- Exhibit F: Post-Closing Board of Directors
- Exhibit G: Post-Closing Officers
- Exhibit H: Side Letter
- Exhibit I: Voting Agreement
- CBS Disclosure Letter
- Entercom Disclosure Letter
- Side Letter Agreement

The excluded documents contain proprietary information, are not germane to the Commission’s consideration of this application, and/or duplicate information already included in the Application or in the possession of the Commission. Copies of excluded portions of those documents and other material will be provided to the Commission upon request, subject to the right of the parties to ask that the material submitted be held in confidence and not be made

available for public inspection pursuant to applicable rules and policies of the Commission that restrict public access to confidential and proprietary information.

**IV. Parties to the Application**

As described above, upon completion of the Transactions, Entercom will be the ultimate parent of both CBS Radio and Entercom Radio. Following completion of the Transactions, Entercom will have two classes of stock outstanding – Class A common stock and Class B common stock. Class A common stock has one vote per share. Class B common stock has ten votes per share on most matters, to the extent voted by Joseph M. Field, the post-Merger Chairman Emeritus of Entercom, or David J. Field, the post-Merger Chairman and CEO of Entercom. No person or group will hold 50% or more of the votes. Thus, Entercom will be controlled by its shareholders generally.

Immediately following the Merger, certain employees of CBS Radio and shareholders of CBS who receive stock in CBS Radio pursuant to the Final Distribution will own Entercom Class A common stock representing approximately 72% of Entercom’s common stock on a fully-diluted basis and more than 50% of the aggregate voting power of Entercom common stock generally. The shareholders of Entercom at the time of the Merger will retain their stock,<sup>6</sup> which will represent approximately 28% of Entercom’s common stock on a fully-diluted basis and less than 50% of the aggregate voting power of Entercom’s common stock generally.

**A. Attributable Ownership Post-Transactions**

The parties anticipate that following completion of the Transactions no more than two shareholders, Joseph M. Field and possibly David J. Field, will hold 5% or more of the voting power and therefore an attributable ownership interest in Entercom. Information about Joseph M. Field and David J. Field is set forth in the table in the next section.

**B. Officers and Directors of Entercom**

Listed below are the presently contemplated post-closing officers and directors of Entercom. The following table, which is consistent with the format of Section IV, Question 6.a on Form 315, lists the following information for the proposed officers and directors of Entercom:

- (1) Name and address of the transferee and each party to the application holding an attributable interest
- (2) Citizenship
- (3) Positional interest

---

<sup>6</sup> While the shareholders of Entercom will retain their shares pursuant to the Merger Agreement, Joseph Field, Marie Field, and David Field separately agreed in connection with the signing of the Merger Agreement to convert certain shares of Entercom Class B stock, which if voted by Joseph Field or David Field is entitled to ten votes per share on certain matters, to Entercom Class A stock, which is entitled to one vote per share. This agreement has the effect of further reducing the votes that Joseph Field and David Field will hold following the Merger.

- (4) Percentage of votes
- (5) Percentage of total assets (equity plus debt)<sup>7</sup>

Name and Address	Citizenship	Positional Interest	% of Votes	% of Total Assets
Entercom Communications Corp. 401 E. City Avenue Suite 809 Bala Cynwyd, PA 19004	US	Respondent	N/A	N/A
David J. Field 401 E. City Avenue Suite 809 Bala Cynwyd, PA 19004	US	Officer, Director, Stockholder	4.94	N/A
Joseph M. Field 401 E. City Avenue Suite 809 Bala Cynwyd, PA 19004	US	Director, Officer, Stockholder	20.06	N/A
Leslie Moonves 51 W. 52 <sup>nd</sup> Street New York, NY 10019	US	Director	0	N/A
Joseph Ianniello 51 W. 52 <sup>nd</sup> Street New York, NY 10019	US	Director	0	N/A
Stephen F. Fisher 401 E. City Avenue Suite 809 Bala Cynwyd, PA 19004	US	Officer, Stockholder	<1	N/A
Andrew P. Sutor, IV 401 E. City Avenue Suite 809 Bala Cynwyd, PA 19004	US	Officer, Stockholder	<1	N/A
Eugene D. Levin 401 E. City Avenue Suite 809 Bala Cynwyd, PA 19004	US	Officer, Stockholder	<1	N/A
Michael E. Dash, Jr. 401 E. City Avenue Suite 809 Bala Cynwyd, PA 19004	US	Officer, Stockholder	<1	N/A
Louise C. Kramer 401 E. City Avenue Suite 809 Bala Cynwyd, PA 19004	US	Officer, Stockholder	<1	N/A

<sup>7</sup> The individuals listed in the chart are attributable by virtue of their positions as proposed officers and/or directors of Entercom and not as a result of the Commission's equity/debt plus ("EDP") attribution standard. Accordingly, the percentage of total assets for each of these individuals is listed as "N/A." In fact, no one will have an attributable interest in Entercom as a result of the Commission's EDP attribution standard.

Other than his or her interest in Entercom, none of the parties identified above has any attributable interest in a broadcast station or daily newspaper in the same market, except: (i) Leslie Moonves, who is the Chairman of the Board, President and Chief Executive Officer of CBS; and (ii) Joseph Ianniello, who is the Chief Operating Officer of CBS. CBS has, and following the completion of the Transactions will continue to have, an attributable interest in the television stations identified on Appendix E hereto. An analysis of compliance with the radio-television cross-ownership rule is set forth in Section V.B. below. Section VI contains a request for temporary waiver of the radio-television cross-ownership rule for Messrs. Moonves and Ianniello.

In addition to the directors listed above, an additional five directors (none of whom shall be affiliated with CBS) will be selected prior to closing the Transactions.

**C. Officers and Directors of Subsidiaries of Entercom**

Following completion of the Transactions, Entercom will have a number of subsidiaries, including those identified on Appendix D. The parties have not yet determined conclusively who will be the officers and directors of the subsidiaries. It is contemplated that the following individuals will serve as officers and/or directors of one or more of the Entercom subsidiaries:

Name and Address	Citizenship	Positional Interest	% of Votes	% of Total Assets
David J. Field 401 E. City Avenue Suite 809 Bala Cynwyd, PA 19004	US	Director, Officer	0	N/A

**V. Compliance with Broadcast Ownership Rules**

The Transactions implicate both the local radio ownership rule and the radio-television cross-ownership rule. As shown below, Entercom will comply with the local radio ownership rule following completion of the Transactions, subject to the completion of certain required divestitures. Entercom will also comply with the radio-television cross-ownership rule, subject to the Commission’s grant of a temporary (not to exceed six months) waiver to two directors, Leslie Moonves and Joseph Ianniello, in not more than four markets.

**A. Local Radio Ownership Rule**

Section 73.3555(a)(1)(i) of the Commission’s rules limits the number of stations in which a person or entity may have a cognizable interest in a particular market. The rule further caps how many same service stations (i.e., AM or FM) a person or entity may hold in that market. The market caps and same service sub-caps set forth in Section 73.3555(a)(1)(i) are as follows:

<u>Market Size</u>	<u>Cap</u>	<u>Same Service Sub-Cap</u>
45 or more full-power stations	8	5
30 to 44 full-power stations	7	4
15 to 29 full-power stations	6	4
14 or fewer full-power stations	5	3

The Transactions will create new radio combinations for Entercom in eight markets.<sup>8</sup> The newly created combinations will comply with the local radio ownership rule in two of the markets. Divestitures are required in newly created combinations in six markets. In addition, a divestiture is required in the Wilkes Barre-Scranton Nielsen Audio Market, where Entercom currently owns a grandfathered cluster.

---

<sup>8</sup> The newly created radio combinations will be in the following markets: Atlanta, GA; Boston, MA; Los Angeles, CA; Miami-Ft. Lauderdale-Hollywood, FL; Sacramento, CA; San Diego, CA; San Francisco, CA; and Seattle-Tacoma, WA.

Below is a market-by-market analysis of the broadcast interests that will be held by Entercom and the parties to the CBS Radio Applications and Entercom Applications upon consummation of the Transactions. The markets are broken down as follows: (i) Compliant Markets; (ii) Divestiture Markets; and (iii) Expanded Band AM Market.

Appendix F hereto contains copies of the BIA Kelsey FCC Geographic Market Definition reports for each of these markets.

(i) **Compliant Markets**

In each of the following markets, the Transactions comply with the Commission's multiple ownership rules without the need for any waiver or divestitures.

- Atlanta, GA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Atlanta, GA Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in four commercial radio stations (one AM station and three FM stations), which is permitted under the local radio ownership rule.

- Austin, TX

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are between 30 and 44 commercial and noncommercial radio stations in the Austin, TX Nielsen Audio Market. Therefore, common ownership of seven radio stations, no more than four in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in three commercial radio stations (one AM station and two FM stations), which is permitted under the local radio ownership rule.

- Baltimore, MD

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are between 30 and 44 commercial and noncommercial radio stations in the Baltimore, MD Nielsen Audio Market. Therefore, common ownership of seven radio stations, no more than four in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in four commercial radio stations (one AM station and three FM stations), which is permitted under the local radio ownership rule.

- Buffalo-Niagara Falls, NY

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 35 commercial and noncommercial radio stations in the Buffalo-Niagara Falls, NY Nielsen Audio Market. Therefore, common ownership of seven radio stations, no more than four in the same service, is permitted. Upon consummation of the

Transactions, Entercom will have an attributable interest in seven commercial radio stations (four AM stations and three FM stations), which is permitted under the local radio ownership rule.

The community of license for one of the stations – WLKK(FM), Wethersfield Township, New York – listed as “home” to the Buffalo-Niagara Falls, NY Nielsen Audio Market, is located outside of the market. The Commission requires the submission of a contour overlap analysis to demonstrate compliance with the local radio ownership rule for stations that are licensed to communities outside of a Nielsen Audio market. A contour-based analysis is attached at Appendix G.

- Charlotte-Gastonia-Rock Hill, NC-SC

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Charlotte-Gastonia-Rock Hill, NC-SC Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in four commercial radio stations (two AM stations and two FM stations), which is permitted under the local radio ownership rule.

- Chicago, IL

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Chicago, IL Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in seven commercial radio stations (two AM stations and five FM stations), which is permitted under the local radio ownership rule.

- Cleveland, OH

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 42 commercial and noncommercial radio stations in the Cleveland, OH Nielsen Audio Market. Therefore, common ownership of seven radio stations, no more than four in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in four commercial FM radio stations, which is permitted under the local radio ownership rule.

- Dallas-Ft. Worth, TX

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Dallas-Ft. Worth, TX Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in six commercial radio stations (one AM station and five FM stations), which is permitted under the local radio ownership rule.

- Denver-Boulder, CO

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Denver-Boulder, CO Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in four commercial radio stations (one AM station and three FM stations), which is permitted under the local radio ownership rule.

- Detroit, MI

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Detroit, MI Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in six commercial radio stations (two AM stations and four FM stations), which is permitted under the local radio ownership rule.

- Gainesville-Ocala, FL

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are between 30 and 44 commercial and noncommercial radio stations in the Gainesville-Ocala, FL Nielsen Audio Market. Therefore, common ownership of seven radio stations, no more than four in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in four commercial FM radio stations, which is permitted under the local radio ownership rule.<sup>9</sup>

The community of license for one of the stations – WKTK(FM), Crystal River, Florida – listed as “home” to the Gainesville-Ocala, FL Nielsen Audio Market, is located outside of the market. The Commission requires the submission of a contour overlap analysis to demonstrate compliance with the local radio ownership rule for stations that are licensed to communities outside of a Nielsen Audio market. A contour-based analysis is attached at Appendix G.

- Greensboro-Winston Salem-High Point, NC

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Greensboro-Winston Salem-High Point, NC Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon

---

<sup>9</sup> In addition to the two stations that Entercom owns in the Gainesville-Ocala, FL Nielsen Audio Market, a subsidiary of Entercom has an attributable joint sales agreement with The University of Florida Board of Trustees for stations WRUF(AM), Gainesville, FL (Facility ID No. 69151) and WRUF-FM, Gainesville, FL (Facility ID No. 66575). A copy of the joint sales agreement is already on file with the Commission.

consummation of the Transactions, Entercom will have an attributable interest in six commercial radio stations (two AM stations and four FM stations), which is permitted under the local radio ownership rule.

The community of license for one of the stations – WJMH(FM), Reidsville, North Carolina – listed as “home” to the Greensboro-Winston Salem-High Point, NC Nielsen Audio Market, is located outside of the market. The Commission requires the submission of a contour overlap analysis to demonstrate compliance with the local radio ownership rule for stations that are licensed to communities outside of a Nielsen Audio market. A contour-based analysis is attached at Appendix G.

- Greenville-Spartanburg, SC

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Greenville-Spartanburg, SC Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in seven commercial radio stations (two AM stations and five FM stations), which is permitted under the local radio ownership rule.

The community of license for one of the stations – WTPT(FM), Forest City, North Carolina – listed as “home” to the Greenville-Spartanburg, SC Nielsen Audio Market, is located outside of the market. The Commission requires the submission of a contour overlap analysis to demonstrate compliance with the local radio ownership rule for stations that are licensed to communities outside of a Nielsen Audio market. A contour-based analysis is attached at Appendix G.

- Hartford-New Britain-Middletown, CT

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are between 30 and 44 commercial and noncommercial radio stations in the Hartford-New Britain-Middletown, CT Nielsen Audio Market. Therefore, common ownership of seven radio stations, no more than four in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in four commercial radio stations (one AM station and three FM stations), which is permitted under the local radio ownership rule.

- Houston-Galveston, TX

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Houston-Galveston, TX Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in six commercial radio stations (two AM stations and four FM stations), which is permitted under the local radio ownership rule.

- Indianapolis, IN

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Indianapolis, IN Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in three commercial radio stations (one AM station and two FM stations), which is permitted under the local radio ownership rule.

- Las Vegas, NV

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Las Vegas, NV Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in six commercial radio stations (two AM stations and four FM stations), which is permitted under the local radio ownership rule.

The community of license for one of the stations – KXTE(FM), Pahrump, Nevada – listed as “home” to the Las Vegas, NV Nielsen Audio Market, is located outside of the market. The Commission requires the submission of a contour overlap analysis to demonstrate compliance with the local radio ownership rule for stations that are licensed to communities outside of a Nielsen Audio market. A contour-based analysis is attached at Appendix G.

- Madison, WI

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are between 30 and 44 commercial and noncommercial radio stations in the Madison, WI Nielsen Audio Market. Therefore, common ownership of seven radio stations, no more than four in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in three commercial FM radio stations, which is permitted under the local radio ownership rule.

The community of license for one of the stations – WOLX-FM, Baraboo, Wisconsin – listed as “home” to the Madison, WI Nielsen Audio Market, is located outside of the market. The Commission requires the submission of a contour overlap analysis to demonstrate compliance with the local radio ownership rule for stations that are licensed to communities outside of a Nielsen Audio market. A contour-based analysis is attached at Appendix G.

- Memphis, TN

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Memphis, TN Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions,

Entercom will have an attributable interest in six commercial radio stations (two AM stations and four FM stations), which is permitted under the local radio ownership rule.

- Miami-Ft. Lauderdale-Hollywood, FL

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Miami-Ft. Lauderdale-Hollywood, FL Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in seven commercial radio stations (two AM stations and five FM stations), which is permitted under the local radio ownership rule.

The community of license for one of the stations – WKIS(FM), Boca Raton, FL – listed as “home” to the Miami-Ft. Lauderdale-Hollywood, FL Nielsen Audio Market, is located in the West Palm Beach, FL Nielsen Audio Market. Entercom will not have an attributable interest in any other station in the West Palm Beach, FL Nielsen Audio Market. Ownership of one radio station in a market complies with the local radio ownership rule.

- Milwaukee-Racine, WI

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are between 30 and 44 commercial and noncommercial radio stations in the Milwaukee-Racine, WI Nielsen Audio Market. Therefore, common ownership of seven radio stations, no more than four in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in three commercial radio stations (one AM station and two FM stations), which is permitted under the local radio ownership rule.

- Minneapolis-St. Paul, MN

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Minneapolis-St. Paul, MN Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in three commercial radio stations (one AM station and two FM stations), which is permitted under the local radio ownership rule.

- New Orleans, LA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the New Orleans, LA Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in six commercial radio stations (two AM stations and four FM stations), which is permitted under the local radio ownership rule.

- New York, NY

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the New York, NY Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in seven commercial radio stations (three AM stations and four FM stations), which is permitted under the local radio ownership rule.

- Norfolk-Virginia Beach-Newport News, VA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Norfolk-Virginia Beach-Newport News, VA Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in four commercial FM radio stations, which is permitted under the local radio ownership rule.

- Orlando, FL

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are between 30 and 44 commercial and noncommercial radio stations in the Orlando, FL Nielsen Audio Market. Therefore, common ownership of seven radio stations, no more than four in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in three commercial FM radio stations, which is permitted under the local radio ownership rule.

The communities of license for two of the stations – WOCL(FM), DeLand, FL and WQMP(FM), Daytona Beach, FL – listed as “home” to the Orlando, FL Nielsen Audio Market, are located in the Daytona Beach, FL Nielsen Audio Market. Other than these two stations, Entercom will not have an attributable interest in any station in the Daytona Beach, FL Nielsen Audio Market. Ownership of two radio stations in a market complies with the local radio ownership rule.

- Palm Springs, CA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are between 30 and 44 commercial and noncommercial radio stations in the Palm Springs, CA Nielsen Audio Market. Therefore, common ownership of seven radio stations, no more than four in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in one commercial FM radio station, which is permitted under the local radio ownership rule.

- Philadelphia, PA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Philadelphia, PA Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in six commercial radio stations (two AM stations and four FM stations), which is permitted under the local radio ownership rule.

- Phoenix, AZ

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Phoenix, AZ Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in three commercial FM radio stations, which is permitted under the local radio ownership rule.

- Pittsburgh, PA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Pittsburgh, PA Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in four commercial radio stations (one AM station and three FM stations), which is permitted under the local radio ownership rule.

- Portland, OR

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Portland, OR Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in seven commercial radio stations (two AM stations and five FM stations), which is permitted under the local radio ownership rule.

- Providence-Warwick-Pawtucket, RI

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Providence-Warwick-Pawtucket, RI Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in one commercial FM radio station, which is permitted under the local radio ownership rule.

- Riverside-San Bernardino, CA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are between 30 and 44 commercial and noncommercial radio stations in the Riverside-San Bernardino, CA Nielsen Audio Market. Therefore, common ownership of seven radio stations, no more than four in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in two commercial FM radio stations, which is permitted under the local radio ownership rule.

- Rochester, NY

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Rochester, NY Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in five commercial radio stations (one AM station and four FM stations), which is permitted under the local radio ownership rule.

- Springfield, MA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are between 15 and 29 commercial and noncommercial radio stations in the Springfield, MA Nielsen Audio Market. Therefore, common ownership of six radio stations, no more than four in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in one commercial FM radio station, which is permitted under the local radio ownership rule.

- St. Louis, MO

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the St. Louis, MO Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in three commercial radio stations (one AM station and two FM stations), which is permitted under the local radio ownership rule.

- Victor-Valley, CA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are between 30 and 44 commercial and noncommercial radio stations in the Victor-Valley, CA Nielsen Audio Market. Therefore, common ownership of seven radio stations, no more than four in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in two commercial radio stations (one AM station and one FM station), which is permitted under the local radio ownership rule.

- Washington, DC

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Washington, DC Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in six commercial radio stations (one AM station and five FM stations), which is permitted under the local radio ownership rule.

- Wichita, KS

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are between 30 to 44 commercial and noncommercial radio stations in the Wichita, KS Nielsen Audio Market. Therefore, common ownership of seven radio stations, no more than four in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in six commercial radio stations (two AM stations and four FM stations), which is permitted under the local radio ownership rule.

- Worcester, MA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are between 15 to 29 commercial and noncommercial radio stations in the Worcester, MA Nielsen Audio Market. Therefore, common ownership of six radio stations, no more than four in the same service, is permitted. Upon consummation of the Transactions, Entercom will have an attributable interest in two commercial radio stations (one AM station and one FM station), which is permitted under the local radio ownership rule.

(ii) **Divestiture Markets**

To comply with the local radio ownership rule, divestitures will be required in the following seven markets (the “Required Divestitures”):

<u>Market</u>	<u>Required Divestitures</u>
Boston, MA	2 FM stations
Los Angeles, CA	1 FM station
Sacramento, CA	3 FM stations
San Diego, CA	1 FM station

<u>Market</u>	<u>Required Divestitures</u>
San Francisco, CA	4 FM stations
Seattle-Tacoma, WA	2 FM stations
Wilkes Barre-Scranton, PA	1 FM station

Entercom will either make the Required Divestitures prior to closing or place these stations into a divestiture trust simultaneously with the closing of the Transactions, as further described in Section VII below.

- Boston, MA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Boston, MA Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions and subject to the Required Divestitures, Entercom will have an attributable interest in eight commercial radio stations (three AM stations and five FM stations), which is permitted under the local radio ownership rule.

- Los Angeles, CA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Los Angeles, CA Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions and subject to the Required Divestitures, Entercom will have an attributable interest in six commercial radio stations (one AM station and five FM stations), which is permitted under the local radio ownership rule.

- Sacramento, CA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Sacramento, CA Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions and subject to the Required Divestitures, Entercom will have an attributable interest in seven commercial radio stations (two AM stations and five FM stations), which is permitted under the local radio ownership rule.

- San Diego, CA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the San Diego, CA Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions and

subject to the Required Divestitures, as described above, Entercom will have an attributable interest in five commercial FM radio stations, which is permitted under the local radio ownership rule.

- San Francisco, CA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the San Francisco, CA Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions and subject to Required Divestitures, Entercom will have an attributable interest in seven commercial radio stations (two AM stations and five FM stations), which is permitted under the local radio ownership rule.

- Seattle-Tacoma, WA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Seattle-Tacoma, WA Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions and subject to the Required Divestitures, Entercom will have an attributable interest in six commercial radio stations (one AM station and five FM stations), which is permitted under the local radio ownership rule.

- Wilkes Barre-Scranton, PA

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Wilkes Barre-Scranton, PA Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Upon consummation of the Transactions and subject to the Required Divestitures, Entercom will have an attributable interest in eight commercial radio stations (three AM stations and five FM stations), which is permitted under the local radio ownership rule.

(iii) **Expanded Band AM Market**

In one instance, Entercom holds a waiver to exceed the local radio ownership limit because of an expanded band AM station.

- Kansas City, MO-KS

As shown on the attached BIA Kelsey Media Access Pro FCC Geographic Market Definition Reports, there are 45 or more commercial and noncommercial radio stations in the Kansas City, MO-KS Nielsen Audio Market. Therefore, common ownership of eight radio stations, no more than five in the same service, is permitted. Entercom currently holds a waiver to own nine stations in the Kansas City, MO-KS Nielsen Audio Market because one of the

stations is an expanded band AM station.<sup>10</sup> Upon consummation of the Transactions and subject to the continuation of the existing expanded AM-band waiver, Entercom will have an attributable interest in nine commercial radio stations (four AM stations and five FM stations), which would be permitted under the local radio ownership rule.

**B. Radio-Television Cross-Ownership Rule**

As noted above, the Transactions also implicate the radio-television cross-ownership rule because two of Entercom's directors post-Merger also hold attributable interests in full-power television broadcast stations. Two of the directors – Mr. Moonves and Mr. Ianniello – are also officers and directors of CBS (or subsidiaries of CBS), which directly or indirectly controls the licenses of the stations set forth on Appendix E.<sup>11</sup>

The radio-television cross-ownership rule is triggered when:

- an FM station's 60 dB $\mu$  (1 mV/m) contour encompasses the entire community of license of a commonly owned TV broadcast station; or
- an AM station's 2 mV/m contour encompasses the entire community of license of a commonly owned TV broadcast station; or
- a TV broadcast station's principal community contour encompasses the entire community of a commonly owned radio station.<sup>12</sup>

Once triggered, Section 73.3555(c) permits an entity to control (a) one television and seven radio stations (to the extent permitted by the local radio multiple ownership rule) or (b) two television stations and six radio stations (to the extent permitted by the local radio multiple ownership rule) if the common ownership of two commercial television stations by that entity is permitted under the local television ownership rule, if the market contains at least 20 independently owned and operated media "voices."

The Commission determines compliance with the radio-television cross-ownership rule on a Nielsen Audio Market basis. As a result of the Transactions, the radio-television cross-ownership rule is triggered in the following radio markets:

- Atlanta, GA\*
- Baltimore, MD
- Boston, MA\*

---

<sup>10</sup> *Entercom Kansas City License, LLC*, 17 FCC Rcd 24197 (2002). The parties request that this waiver remain in place after consummation of the Transactions.

<sup>11</sup> As described in further detail in Section VI of this Comprehensive Exhibit, the two directors with an attributable interest in CBS will only be on the Entercom board for a very limited term that does not extend beyond a six month period.

<sup>12</sup> 47 C.F.R. § 73.3555(c).

- Chicago, IL
- Dallas-Fort Worth, TX
- Denver, CO\*
- Detroit, MI
- Los Angeles, CA\*
- Miami, FL\*
- Minneapolis, MN
- New York, NY
- Philadelphia, PA
- Pittsburgh, PA
- Riverside-San Bernardino, CA
- Sacramento, CA\*
- San Francisco, CA\*
- Seattle, WA\*
- Victor Valley, CA
- Washington, DC

The Transactions will result in new radio-television combinations in the markets identified with an “\*” above. Each of these markets has at least 20 independently owned and operated media voices. Additionally, except for Baltimore, MD, Riverside-San Bernardino, CA, and Victor Valley, CA, each radio-television combination is in a radio market where ownership of up to eight radio stations is permitted under the local radio ownership rule. In Baltimore, Riverside-San Bernardino, and Victor Valley, the local radio ownership rule permits common ownership of up to seven radio stations. Therefore, in each of the radio-television cross-ownership markets, other than Baltimore, Riverside-San Bernardino, and Victor Valley, common ownership of one television station and seven radio stations or two television stations and six radio stations is permitted. In Baltimore, Riverside-San Bernardino, and Victor Valley, a one television/six radio combination is permitted. Subject to grant of the short-term waiver requested in Section VI below (the “Temporary Cross-Ownership Waiver”) and the Required Divestitures, the Transactions comply with the Commission’s radio-television cross-ownership rule.

Below is a market-by-market analysis of compliance with the radio-television cross-ownership rule. The markets are broken down as follows: (i) Compliant Markets and (ii) Waiver Markets.

(i) **Compliant Markets**

- Atlanta, GA

As demonstrated above, the Transactions will result in Entercom owning four radio stations in the Atlanta, GA Nielsen Audio Market. CBS owns one television station in the Atlanta television market. The principal community contour of this television station encompasses the communities of license of each of the radio stations that Entercom will own in

the market. Common ownership of one television station and four radio stations is permissible in the Atlanta market.

- Baltimore, MD

As demonstrated above, the Transactions will result in Entercom owning four radio stations in the Baltimore, MD Nielsen Audio Market. CBS owns one television station in the Baltimore television market. The principal community contour of this television station encompasses the communities of license of each of the radio stations that Entercom will own in the market. In addition, the relevant contours of two radio stations in the adjacent Washington, DC Nielsen Audio Market encompass the television station's community of license. Under the radio-television cross-ownership rule, the FCC does not count radio stations located in one Nielsen Audio Market toward the limits on the number of radio stations a party may own in another Nielsen Audio Market, even when the radio stations are within the contour of a commonly owned TV station unless the relevant contour of an out-of-market radio station triggers the rule.<sup>13</sup> Thus, in this case, two Washington, DC market radio stations count towards the radio-television cross-ownership limit in the Baltimore market. Common ownership of one television station and six radio stations is permissible in the Baltimore market.

- Chicago, IL

As demonstrated above, the Transactions will result in Entercom owning seven radio stations in the Chicago, IL Nielsen Audio Market. CBS owns one television station in the Chicago television market. The principal community contour of this television station encompasses the communities of license of each of the radio stations that Entercom will own in the market. Common ownership of one television station and seven radio stations is permissible in the Chicago market.

- Dallas-Fort Worth, TX

As demonstrated above, the Transactions will result in Entercom owning six radio stations in the Dallas-Fort Worth, TX Nielsen Audio Market. CBS owns two television stations in the Dallas-Fort Worth television market. The principal community contours of these television stations encompass the communities of license of each of the radio stations that Entercom will own in the market. Common ownership of two television stations and six radio stations is permissible in the Dallas-Fort Worth market.

- Denver, CO

As demonstrated above, the Transactions will result in Entercom owning four radio stations in the Denver-Boulder, CO Nielsen Audio Market. CBS owns one television station in

---

<sup>13</sup> *Review of the Commission's Regulations Governing Television Broadcasting*, 16 FCC Rcd 1067, 1081 (2000); *see also Shareholders of Hispanic Broadcasting Corporation*, 18 FCC Rcd 18834, 18837 n.13 (2003).

the Denver television market. The principal community contour of this television station encompasses the communities of license of each of the radio stations that Entercom will own in the market. Common ownership of one television station and four radio stations is permissible in the Denver market.

- Detroit, MI

As demonstrated above, the Transactions will result in Entercom owning six radio stations in the Detroit, MI Nielsen Audio Market. CBS owns two television stations in the Detroit television market. The principal community contours of these television stations encompass the communities of license of each of the radio stations that Entercom will own in the market. Common ownership of two television stations and six radio stations is permissible in the Detroit market.

- Los Angeles, CA

As demonstrated above, the Transactions will result in Entercom owning six radio stations in the Los Angeles, CA Nielsen Audio Market. CBS owns two television stations in the Los Angeles television market. The principal community contours of these television stations encompass the communities of license of each of the radio stations that Entercom will own in the market. Common ownership of two television stations and six radio stations is permissible in the Los Angeles market.

- Minneapolis, MN

As demonstrated above, the Transactions will result in Entercom owning three radio stations in the Minneapolis, MN Nielsen Audio Market. CBS owns one television station in the Minneapolis television market that triggers the radio-television cross-ownership rule.<sup>14</sup> The principal community contour of this television station encompasses the communities of license of each of the radio stations that Entercom will own in the market. Common ownership of one television station and three radio stations is permissible in the Minneapolis market.

- New York, NY

As demonstrated above, the Transactions will result in Entercom owning seven radio stations in the New York, NY Nielsen Audio Market. CBS owns one television station in the New York television market that triggers the radio-television cross-ownership rule.<sup>15</sup> The

---

<sup>14</sup> CBS owns two additional television stations in the Minneapolis television market, which operate as satellites of WCCO-TV pursuant to satellite waivers most recently granted in *Shareholders of CBS Corp.*, 15 FCC Rcd 8230 ¶ 40 (2000), and therefore do not count for multiple ownership purposes. 47 C.F.R. § 73.3555, note 5.

<sup>15</sup> CBS owns an additional television station in the New York television market, WLNY-TV, Riverhead, NY, which does not trigger the radio-television cross-ownership rule. See FCC File Nos. BALCDT-20111220AFI and BALCDT-20111220AFS.

principal community contour of this television station encompasses the communities of license of each of the radio stations that Entercom will own in the market. Common ownership of one television station and seven radio stations is permissible in the New York market.

- Philadelphia, PA

As demonstrated above, the Transactions will result in Entercom owning six radio stations in the Philadelphia, PA Nielsen Audio Market. CBS owns two television stations in the Philadelphia television market. The principal community contours of these television stations encompass the communities of license of each of the radio stations that Entercom will own in the market. Common ownership of two television stations and six radio stations is permissible in the Philadelphia market.

- Pittsburgh, PA

As demonstrated above, the Transactions will result in Entercom owning four radio stations in the Pittsburgh, PA Nielsen Audio Market. CBS owns two television stations in the Pittsburgh television market. The principal community contours of these television stations encompass the communities of license of each of the radio stations that Entercom will own in the market. Common ownership of two television stations and four radio stations is permissible in the Pittsburgh market.

- Riverside-San Bernardino, CA

As demonstrated above, the Transactions will result in Entercom owning two radio stations in the Riverside-San Bernardino Nielsen Audio Market. Although CBS does not own any television stations in the Riverside-San Bernardino Nielsen Audio Market, CBS owns two television stations in Los Angeles therefore triggering the radio-television cross-ownership rule in this market. The principal community contours of these two CBS television stations encompass the communities of license of the two radio stations Entercom will own in the Riverside-San Bernardino Nielsen Audio Market. Common ownership of two television stations and two radio stations is permissible in the Riverside-San Bernardino Nielsen Audio Market.

- Seattle, WA

As shown above, the Transactions will result in Entercom owning six radio stations in the Seattle-Tacoma, WA Nielsen Audio Market. CBS owns one television station in the Seattle, WA television market. The principal community contour of this television station encompasses the communities of license of each of the radio stations that Entercom will own in the market. Common ownership of one television station and six radio stations is permissible in the Seattle, WA market.

- Victor Valley, CA

As demonstrated above, the Transactions will result in Entercom owning two radio stations in the Victor Valley, CA Nielsen Audio Market. Although CBS does not own any

television stations in the Victor Valley Nielsen Audio Market, CBS owns two television stations in Los Angeles therefore triggering the radio-television cross-ownership rule in this market. The principal community contours of these two CBS television stations encompass the communities of license of the two radio stations Entercom will own in the Victor Valley Nielsen Audio Market. Common ownership of two television stations and two radio stations is permissible in the Victor Valley Nielsen Audio Market.

- Washington, DC

As demonstrated above, the Transactions will result in Entercom owning six radio stations in the Washington, DC Nielsen Audio Market. Although CBS does not own a television station in the Washington, DC Nielsen Audio Market, CBS owns one television station in Baltimore therefore triggering the radio-television cross-ownership rule in the market. The principal community contour of this CBS television station encompasses the communities of license of five of the radio stations Entercom will own in the Washington, DC Nielsen Audio Market. Common ownership of one television station and five radio stations is permissible in the Washington, DC Nielsen Audio Market.

(ii) **Waiver Markets**

- Boston, MA

As demonstrated above, the Transactions will result in Entercom owning eight radio stations in the Boston, MA Nielsen Audio Market. CBS owns two television stations in the Boston television market. The principal community contours of these television stations encompass the communities of license of each of the radio stations that Entercom will own in the market. Subject to the FCC's grant of the Temporary Cross-Ownership Waiver, common ownership of two television stations and eight radio stations would be permissible in the Boston, MA market during the time that the waiver remains in effect.

- Miami, FL

As demonstrated above, the Transactions will result in Entercom owning seven radio stations in the Miami-Ft. Lauderdale-Hollywood, FL Nielsen Audio Market. CBS owns two television stations in the Miami-Ft. Lauderdale, FL television market. The principal community contours of these television stations encompass the communities of license of each of the radio stations that Entercom will own in the market. Subject to the FCC's grant of the Temporary Cross-Ownership Waiver, common ownership of two television stations and seven radio stations would be permissible in the Miami-Ft. Lauderdale-Hollywood, FL market during the time that the waiver remains in effect.

- Sacramento, CA

As shown above, the Transactions will result in Entercom owning seven radio stations in the Sacramento, CA Nielsen Audio Market. CBS owns two television stations in the Sacramento, CA television market. The principal community contours of these television

stations encompass the communities of license of each of the radio stations that Entercom will own in the market. Subject to the FCC's grant of the Temporary Cross-Ownership Waiver, common ownership of two television stations and seven radio stations would be permissible in the Sacramento, CA market during the time that the waiver remains in effect.

- San Francisco, CA

As shown above, the Transactions will result in Entercom owning seven radio stations in the San Francisco, CA Nielsen Audio Market. CBS owns two television stations in the San Francisco, CA television market. The principal community contours of these television stations encompass the communities of license of each of the radio stations that Entercom will own in the market. Subject to the FCC's grant of the Temporary Cross-Ownership Waiver, common ownership of two television stations and seven radio stations would be permissible in the San Francisco, CA market during the time that the waiver remains in effect.

#### **VI. Request for Temporary Cross-Ownership Waiver**

As noted above, two of the initial post-Merger Entercom directors – Mr. Moonves and Mr. Ianniello – also have an attributable interest in the television broadcast stations owned by CBS. Messrs. Moonves and Ianniello will serve as Entercom directors for not more than six months following the closing of the Transactions.<sup>16</sup> During the brief window that Messrs. Moonves and Ianniello serve on the Entercom board, they will hold attributable interests in both the television stations owned by CBS and the radio stations owned by Entercom. As a result, Messrs. Moonves and Ianniello will hold attributable interests in radio and television stations in the Boston, MA, Miami, FL, Sacramento, CA, and San Francisco, CA markets in excess of the radio-television cross-ownership limits. For the reasons set forth herein, the parties request a temporary waiver of the Commission's radio-television cross-ownership rules during the limited time that Messrs. Moonves and Ianniello serve on the Entercom board.

The Commission has previously found temporary waivers of the multiple ownership rules to be in the public interest, particularly where the waiver “facilitate[s] multi-station transactions” and is “incidental to the larger transaction.”<sup>17</sup> The benefits of the waiver are weighed against the “underlying goals of diversity and competition in the broadcast marketplace.”<sup>18</sup> The effect on

---

<sup>16</sup> Prior to the Merger, Messrs. Moonves and Ianniello will each execute and deliver an irrevocable letter of resignation effective the earlier of (a) six months after closing of the Merger and (b) the day prior to the first annual meeting of Entercom following closing of the Merger.

<sup>17</sup> See, e.g., *UTV of San Francisco, Inc.*, 16 FCC Rcd 14975, 14984 (2001); *Fidelity Television, Inc.*, 17 FCC Rcd 8567, 8568 (2002).

<sup>18</sup> *UTV of San Francisco, Inc.*, 16 FCC Rcd at 14984. See also *Fidelity Television, Inc.*, 17 FCC Rcd at 8569; *New Rushmore Radio, Inc.*, 29 FCC Rcd 3265, 3267 (MB Vid. Div. 2014); *Schurz Communications, Inc.*, 31 FCC Rcd 1113, 1118 (MB Vid. Div. 2016).

competition and diversity has been found to be “somewhat less consequential” where a significant number of independent media voices will remain in the market.<sup>19</sup>

Here, Messrs. Moonves and Ianniello will be on the Entercom board for a very limited time period (i.e., no longer than six months). The noncompliant cross-ownership would only exist in four radio markets, and would be limited to two individuals, neither of whom will control any of the stations at issue. The Transactions involve over 200 radio stations in nearly 50 markets. Not counting CBS and Entercom, there are well over 70 independently owned and operated radio and television voices in the Boston, MA market, 37 independently owned and operated radio and television voices in the Miami, FL market, 28 independently owned and operated radio and television voices in the Sacramento, CA market, and well over 60 independently owned and operated radio and television voices in the San Francisco, CA market. In three of the four waiver markets, the cross-ownership caps will be exceeded by only one radio station, and in the fourth waiver market (Boston), the caps will be exceeded by only two radio stations. Thus, given the number of independently owned voices in these markets, and the relatively short period of time involved, the impact on the competition and diversity should be inconsequential.

Finally, the appointment of Messrs. Moonves and Ianniello to the Entercom board will help facilitate, post-Merger, a smooth transition and integration of the radio stations previously controlled by CBS. This will allow the radio stations, as owned by Entercom, to continue to provide the same level of service to their listeners. Accordingly, CBS and Entercom respectfully request a short-term waiver of the radio-television cross-ownership rule for Messrs. Moonves and Ianniello for six months following consummation of the Transactions.

## **VII. Request for Authorization to Assign Stations to Stand-By Divestiture Trust**

As explained above, the parties request the Commission’s consent to the Transactions conditioned upon the prior divestiture of 14 radio stations in seven markets in order to comply with the local radio ownership rule. The parties are simultaneously filing the Divestiture Trust Applications in the event these divestitures have not been completed by the time scheduled for closing of the Transactions. It is the Commission’s longstanding precedent to permit such divestiture trust arrangements in situations where a transaction involving multiple stations in multiple markets would result in a party exceeding the ownership caps in one or more markets.<sup>20</sup>

---

<sup>19</sup> *UTV of San Francisco, Inc.*, 16 FCC Rcd at 14984 (granting a waiver where 30 broadcast voices would remain in the market); *LINT Co.*, 15 FCC Rcd 18130, 18133 (2000) (granting a waiver where 27 independently owned broadcast media voices would remain); *Fidelity Television, Inc.*, 17 FCC Rcd at 8568 (granting a waiver where 59 independently owned and operated media voices would remain). *Cf. New Rushmore Radio, Inc.*, 29 FCC Rcd at 3266 (period within which assignee was required to comply with cross-ownership rule limited to 60 days where only 17 media voice would remain).

<sup>20</sup> *See, e.g.*, Letter from Peter H. Doyle, Chief, Audio Division, to Howard M. Liberman, Esq. and Richard A. Helmick, Esq., Ref. 1800B3-TH (MB Nov. 8, 2013); *Cumulus Media, Inc.*, Memorandum Opinion and Order, 26 FCC Rcd 12956 (MB 2011); and *Clear Channel Communications, Inc.*, Memorandum Opinion and Order, 23 FCC

Under this well-established Commission precedent, a beneficiary's ownership interest is not attributable to the beneficiary if it is properly insulated to prevent the exercise of control or influence over the trustee.<sup>21</sup> The Commission has set out certain standards for properly insulated trusts.<sup>22</sup>

The relationship between Entercom, the trustee and the trust will be governed by the Engagement and Assignment Agreement dated as of March 17, 2017 between Entercom and the trustee, and by a Trust Agreement between Entercom and the trustee to be entered into upon consummation of the Transactions. Those agreements provide, among other things, that the assets of the radio stations placed in trust to be divested as described above will be assigned to the trust, and that the trustee shall have the power to effect sales of those stations to third parties as soon as reasonably practicable and at the maximum price reasonably attainable, provided that Entercom may establish a minimum acceptable price for the stations. If Entercom enters into an agreement to sell any of those stations prior to closing of the Transactions and assignment of the stations to the trust, the trustee shall assume the obligations of Entercom under such agreement pending FCC and any other required governmental approvals. The Trust Agreement will further provide that the trustee shall have complete control over the stations placed in the trust and will operate them as separate, independent and active competitors to Entercom. While the stations are in trust, Entercom shall receive any net revenues from their operation in excess of actual and projected expenses as determined by the trustee in its sole discretion.

Additionally, under the terms of the proposed trust agreement:

- Entercom cannot replace the trustee at will;
- Entercom cannot revoke the trust;
- The trustee does not have a business, personal or extra-trust relationship with Entercom, its affiliates or any of the shareholders, directors, officers or employees of Entercom or its affiliates (collectively "Related Parties");<sup>23</sup> and

---

Rcd 1421 (2008). Entercom used a divestiture trust in connection with its purchase of Lincoln Financial Media Company. See FCC File Nos. BTC-20141219ADZ and BALH-20141219AEY.

<sup>21</sup> See Shareholders of AMFM, Inc., 15 FCC Rcd 16062, 16072-73 (2000). See also Shareholders of American Radio Systems Corp., 13 FCC Rcd 12430, 12441 (1998).

<sup>22</sup> See 47 C.F.R. § 73.3555, note 2(d); *Attribution of Ownership Interests*, 97 FCC 2d 997, 1023-24 (1984), *recon. granted in part*, 58 RR 2d 604 (1985), *further recon. granted in part*, 1 FCC Rcd 802 (1986).

<sup>23</sup> Elliot Evers, the sole member of the trustee, has been retained by Entercom in his capacity as a media broker to identify potential buyers of the stations to be divested. Because his role as sole member of the trustee will require Mr. Evers to identify buyers of divestiture stations, his engagement by Entercom prior to the stations being assigned to the trust will enable the divestiture process to commence at an earlier time and will assure continuity in that process, which will help expedite the divestiture of those stations.

- Neither Entercom nor any Related Party may communicate with the trustee concerning the management and operation of the stations assigned to the trust, except to deliver financial reports or to facilitate the sale of the stations to an unaffiliated third party, and then any permitted communication must be evidenced in writing and retained for inspection by the trust upon Commission request.

Accordingly, the proposed trust conforms to the Commission's attribution insulation standards. By complying with the Commission's attribution insulation standards, the trust is properly insulated from Entercom's influence in accordance with Commission precedent. In fact, the trust agreement is identical in all material respects to prior trust agreements that the Commission has recently approved.<sup>24</sup>

Because the trust is properly insulated, the stations assigned to the trust will not be attributable to Entercom for the purposes of the local radio ownership rule upon consummation of the transfer of the stations to the trust. After the transfer to the trust, Entercom will be in compliance with the Commission's local radio ownership rule.

#### **VIII. Entercom Character Disclosure**

Since 2005, Edward Stolz ("Stolz") has filed objections to the qualifications of Entercom in connection with pending license renewal applications for stations owned by Entercom. In separate decisions released March 4, 2008 (DA 08-495), September 6, 2012 (1800B3-MM), October 14, 2014 (1800B3-JWF/AJR), March 18, 2015 (1800B3-SS), October 27, 2016 (FCC 16-141) and January 18, 2017 (1800B3-JM), the FCC has denied or dismissed these objections and granted multiple renewal applications for stations owned by Entercom. On February 22, 2017, Stolz filed a Petition for Reconsideration against the Commission's January 18, 2017 decision and that matter remains pending.

In connection with the 2013 renewal application for station KDND(FM) (Facility ID No. 65483) in Sacramento, CA, the Media Action Center in El Dorado Hills and Sue Wilson (collectively, "MAC") filed a Petition to Deny the renewal application, raising a claim that Entercom License, LLC ("Entercom License"), a subsidiary of Entercom, lacks the character qualifications to be an FCC licensee. Stolz raised similar character issues in a reply pleading filed December 23, 2013.

On October 27, 2016, the FCC released a Hearing Designation Order and Notice of Opportunity for Hearing ("HDO") (FCC 16-153), setting the July 28, 2005 and July 30, 2013 KDND license renewal applications for hearing on issues relating to whether Entercom License operated KDND in the public interest. In the HDO (at note 122), the Commission declined to designate for hearing any character qualification issues. On January 9, 2017, in response to the

---

<sup>24</sup> See, e.g., FCC File Nos. BALH-20160802ADT; BALH-20141219AEY.

HDO, MAC filed a Petition to Enlarge Issues, requesting that the hearing address issues related to Entercom's character qualifications to remain a Commission licensee.

On February 8, 2017, KDND permanently ceased operation and surrendered its license to the FCC. On the same date, Entercom License filed a Motion to Dismiss the pending KDND renewal applications and terminate the hearing. MAC opposed the Motion on February 10, 2017 and Stolz filed comments and renewed his prior arguments.

On February 22, 2017, Entercom and MAC filed a Joint Motion for Approval of Settlement Agreement Pursuant to Section 73.3588. Pursuant to the Settlement Agreement, MAC agreed to dismiss with prejudice its Petition to Deny and Petition to Enlarge. On March 16, 2017, the Administrative Law Judge issued an Order granting the Joint Motion for Approval of Settlement and Entercom's Motion to Dismiss, and terminated the HDO proceeding.

#### **IX. Compliance with Foreign Ownership**

Class A shares of the capital stock of Entercom are publicly traded. In order to maintain compliance with the provisions of Section 310 of the Communications Act of 1934, as amended, relating to interests of aliens and foreign governments, Entercom has procedures and review processes in place.

Specifically, Entercom participates in the Depository Trust Corporation (DTC) SEG-100 program. In addition, Entercom periodically monitors foreign ownership by reviewing reports provided by its transfer agent (American Stock Transfer & Trust Company, LLC) and DTC as well as reviewing Form 13(d) and Form 13(f) filings required by the Securities and Exchange Commission and regulations promulgated thereby. These reports and filings show that foreign ownership of Entercom is currently under 25%. Entercom will monitor and assess compliance on an ongoing basis pursuant to the methodology recently adopted by the Commission as the provisions regarding such methodology become effective.<sup>25</sup>

## MULTIPLE OWNERSHIP SERVICE CONTOUR ANALYSIS

Prepared for  
Entercom Buffalo License, LLC  
March 2017

The attached analysis of compliance with the radio multiple ownership rules was prepared in accordance with the Rules and Regulations of the Federal Communications Commission, in connection with an application for transfer of control.

### Unrated Market

While Buffalo-Niagara Falls is a Nielsen rated market, station WLKK(FM) is licensed to a community which is located outside the Buffalo-Niagara Falls metro definition, in adjacent Wyoming County. Therefore an unrated market ownership study has been prepared to demonstrate full compliance with §73.3555 of the Commission's Rules.

As is demonstrated on the attached Ownership Overview Map, WLKK has principal community contour overlap with only certain attributable stations in the area, forming a station cluster comprised of the following:<sup>1</sup>

WLKK(FM)	299B	Wethersfield Township
WTSS(FM)	273B	Buffalo
WGR(AM)	550 kHz	Buffalo
WBEN(AM)	930 kHz	Buffalo
WWKB(AM)	1520 kHz	Buffalo

---

<sup>1</sup> The map exhibit demonstrates that WLKK does not have principal community contour overlap with the other Entercom stations in Buffalo (WKSE and WWWS), nor with the Entercom stations in the adjacent Rochester market.

Analysis has been made consistent with the Commission's interim rules for unrated markets. The 70 dBu contours of FM stations were determined from the technical data contained in the most recent edition of the FCC FM Database. The listed antenna height above average terrain was used together with topographic data obtained from the digitized 30 second or 3 second database. The 5 mV/m daytime contours of AM stations were determined from the technical data contained in the most recent edition of the FCC AM Database. The listed antenna parameter information was used together with a digitized version of the FCC M-3 or Region II ground conductivity database. The service contours were plotted using correct map projection mathematics. Those stations whose transmitter sites are within the respective principal community service contours of the stations proposed to be commonly owned have only the sites rather than their contours shown. All contours and enclosed transmitter site locations have been labeled. A list of all stations considered is included with this statement.

In counting stations providing service to the "market" defined by each of the discrete clusters formed in unrated markets, stations whose transmitter sites are located in excess of 92 km from the perimeter of the common overlap area have been excluded, as have other stations to be commonly-owned but which are not a part of the discrete cluster being studied.

This exhibit evidences at least the minimum number of stations necessary to demonstrate compliance with the rules concerning radio multiple ownership in unrated markets. In order to qualify for common ownership of this 3AM/2FM cluster, there must be at least 15 stations in the relevant "market". This study demonstrates that there are at least 26 stations in the relevant market.<sup>2</sup>

March 3, 2017

Erik C. Swanson

---

<sup>2</sup> For the sake of simplicity, this exhibit has been limited to other FM stations having transmitter sites within the principal community contours of the cluster being studied. In fact, numerous other stations have principal community contours which overlap those of the Entercom cluster.

Based on principal community contour overlap, WLKK forms a single cluster comprised of the following attributable stations:  
**WLKK(FM), WTSS(FM), WBEN(AM), WWKB(AM), WGR(AM)**

## **MULTIPLE OWNERSHIP SERVICE CONTOUR ANALYSIS**

**Prepared for  
Entercom License, LLC  
March 2017**

The attached analysis of compliance with the radio multiple ownership rules was prepared in accordance with the Rules and Regulations of the Federal Communications Commission, in connection with an application for transfer of control.

### **Unrated Market**

While Gainesville-Ocala is a Nielsen rated market, station WKTK(FM) is licensed to a community which is located outside the Madison metro definition, in adjacent Citrus County. Therefore an unrated market ownership study has been prepared to demonstrate full compliance with §73.3555 of the Commission's Rules.

As is demonstrated on the attached Ownership Overview Map, WKTK has principal community contour overlap with all of the attributable stations in the area, forming a station cluster comprised of the following:

WKTK	253C1 Crystal River
WSKY-FM	247C2 Micanopy

Analysis has been made consistent with the Commission's interim rules for unrated markets. The 70 dBu contours of FM stations were determined from the technical data contained in the most recent edition of the FCC FM Database. The listed antenna height above average terrain was used together with topographic data obtained from the digitized 30 second or 3 second database. The 5 mV/m daytime contours of AM stations were determined from the technical data contained in the most recent edition of the FCC AM Database. The listed antenna parameter information was used

together with a digitized version of the FCC M-3 or Region II ground conductivity database. The service contours were plotted using correct map projection mathematics. Those stations whose transmitter sites are within the respective principal community service contours of the stations proposed to be commonly owned have only the sites rather than their contours shown. All contours and enclosed transmitter site locations have been labeled. A list of all stations considered is included with this statement.

In counting stations providing service to the “market” defined by each of the discrete clusters formed in unrated markets, stations whose transmitter sites are located in excess of 92 km from the perimeter of the common overlap area have been excluded, as have other stations to be commonly-owned but which are not a part of the discrete cluster being studied.

This exhibit evidences at least the minimum number of stations necessary to demonstrate compliance with the rules concerning radio multiple ownership in unrated markets. In order to qualify for common ownership of this OAM/2FM cluster, there must be at least 4 stations in the relevant “market”. This study demonstrates that there are at least 27 stations in the relevant market.<sup>1</sup>

March 3, 2017

Erik C. Swanson

---

<sup>1</sup> For the sake of simplicity, this exhibit has been limited to other FM stations having transmitter sites within the principal community contours of the cluster being studied. In fact, numerous other stations have principal community contours which overlap those of the Entercom cluster.

## MULTIPLE OWNERSHIP SERVICE CONTOUR ANALYSIS

Prepared for  
Entercom License, LLC  
March 2017

The attached analysis of compliance with the radio multiple ownership rules was prepared in accordance with the Rules and Regulations of the Federal Communications Commission, in connection with an application for transfer of control.

### Unrated Market

While Greensboro-Winston Salem-High Point is a Nielsen rated market, station WJMH(FM) is licensed to a community which is located outside the Greensboro-Winston Salem-High Point metro definition, in adjacent Rockingham County. Therefore an unrated market ownership study has been prepared to demonstrate full compliance with §73.3555 of the Commission's Rules.

As is demonstrated on the attached Ownership Overview Map, WJMH has principal community contour overlap with all of the attributable stations in the area, forming a station cluster comprised of the following:

WJMH	271C0	Reidsville
WEAL	1510	Greensboro
WPET	950	Greensboro
WPAW	266C	Winston-Salem
WQMG	246C0	Greensboro
WSMW	254C0	Greensboro

Analysis has been made consistent with the Commission's interim rules for unrated markets. The 70 dBu contours of FM stations were determined from the technical data contained in the most

recent edition of the FCC FM Database. The listed antenna height above average terrain was used together with topographic data obtained from the digitized 30 second or 3 second database. The 5 mV/m daytime contours of AM stations were determined from the technical data contained in the most recent edition of the FCC AM Database. The listed antenna parameter information was used together with a digitized version of the FCC M-3 or Region II ground conductivity database. The service contours were plotted using correct map projection mathematics. Those stations whose transmitter sites are within the respective principal community service contours of the stations proposed to be commonly owned have only the sites rather than their contours shown. All contours and enclosed transmitter site locations have been labeled. A list of all stations considered is included with this statement.

In counting stations providing service to the “market” defined by each of the discrete clusters formed in unrated markets, stations whose transmitter sites are located in excess of 92 km from the perimeter of the common overlap area have been excluded, as have other stations to be commonly-owned but which are not a part of the discrete cluster being studied.

This exhibit evidences at least the minimum number of stations necessary to demonstrate compliance with the rules concerning radio multiple ownership in unrated markets. In order to qualify for common ownership of this 2AM/4FM cluster, there must be at least 15 stations in the relevant “market”. This study demonstrates that there are at least 32 stations in the relevant market.<sup>1</sup>

March 3, 2017

Erik C. Swanson

---

<sup>1</sup> For the sake of simplicity, this exhibit has been limited to other FM stations having transmitter sites within the principal community contours of the cluster being studied. In fact, numerous other stations have principal community contours which overlap those of the Entercom cluster.

## MULTIPLE OWNERSHIP SERVICE CONTOUR ANALYSIS

Prepared for  
Entercom License, LLC  
March 2017

The attached analysis of compliance with the radio multiple ownership rules was prepared in accordance with the Rules and Regulations of the Federal Communications Commission, in connection with an application for transfer of control.

### Unrated Market Study

While Greenville-Spartanburg SC is a Nielsen rated market, station WTPT(FM) is licensed to a community which is located outside the Greenville-Spartanburg metro definition, in adjacent Rutherford County. Therefore an unrated market ownership study has been prepared to demonstrate full compliance with §73.3555 of the Commission's Rules.

As is demonstrated on the attached Ownership Overview Map, WTPT has principal community contour overlap with all of the attributable stations in the area, forming a station cluster comprised of the following:

WSPA-FM	255C	Spartanburg, SC
WTPT(FM)	227C	Forest City, NC
WYRD-FM	292C3	Simpsonville, SC
WFBC-FM	229C	Greenville, SC
WROQ(FM)	266C1	Anderson, SC
WORD(AM)	950 kHz	Spartanburg, SC
WYRD(AM)	1330 kHz	Greenville, SC

Analysis has been made consistent with the Commission's interim rules for unrated markets. The 70 dBu contours of FM stations were determined from the technical data contained in the most recent edition of the FCC FM Database. The listed antenna height above average terrain was used together with topographic data obtained from the digitized 30 second or 3 second database. The 5 mV/m daytime contours of AM stations were determined from the technical data contained in the most recent edition of the FCC AM Database. The listed antenna parameter information was used together with a digitized version of the FCC M-3 or Region II ground conductivity database.

The service contours were plotted using correct map projection mathematics. Those stations whose transmitter sites are within the respective principal community service contours of the stations proposed to be commonly owned have only the sites rather than their contours shown. All contours and enclosed transmitter site locations have been labeled. A list of all stations considered is included with this statement.

In counting stations providing service to the "market" defined by each of the discrete clusters formed in unrated markets, stations whose transmitter sites are located in excess of 92 km from the perimeter of the common overlap area have been excluded, as have other stations to be commonly-owned but which are not a part of the discrete cluster being studied.

Since the principal community contours of WORD(AM) and WYRD(AM) do not overlap, the combination of WSPA-FM with the other attributable stations in this market forms two discreet clusters. This exhibit evidences at least the minimum number of stations necessary to demonstrate compliance with the rules concerning radio multiple ownership in unrated markets. For the purposes of this study, only stations with transmitter sites inside the principal community service contours of the stations to be commonly owned have been shown. Numerous additional stations could also be counted as providing service to these market.

#### **Cluster A**

#### **WSPA-FM, WTPT(FM) Lic+CP, WYRD-FM, WFBC-FM, WROQ(FM), WORD(AM)**

In order to qualify for common ownership of this 5AM/1FM cluster, there must be at least 45 stations in the relevant "market". This study demonstrates that there are at least 86 stations in the relevant market.

**Cluster B**

**WSPA-FM, WTPT(FM) Lic+CP, WYRD-FM, WFBC-FM, WROQ(FM), WYRD(AM)**

In order to qualify for common ownership of this 5AM/1FM cluster, there must be at least 45 stations in the relevant "market". This study demonstrates that there are at least 86 stations in the relevant market.

Please note that the attached list of stations in the market totals 87 stations. That is because the list includes both WORD(AM) and WYRD(AM), which are both attributable but members of separate clusters. Therefore one station has been subtracted from the "denominator" to result in the 86 station count indicated above.

March 3, 2017

A handwritten signature in black ink, appearing to read "Erik C. Swanson". The signature is written in a cursive, flowing style.

Erik C. Swanson

In combination with the other attributable stations in the area, WTPT forms two discrete clusters:

- Cluster A: WTPT(FM), WYRD-FM, WFBC-FM, WSPA-FM, WROQ(FM), WORD(AM)
- Cluster B: WTPT(FM), WYRD-FM, WFBC-FM, WSPA-FM, WROQ(FM), WYRD(AM)

Engineering Statement  
**Interim Contour-Based  
Radio Multiple Ownership Study**  
Las Vegas, Nevada Market

This exhibit is being submitted in connection with the transfer of control of the CBS Radio stations in the Las Vegas, Nevada Nielsen Audio market, which include the following stations. These six stations are now owned by CBS and are proposed for continued, common ownership under Entercom:

- KLUC-FM Las Vegas, Nevada
- KMXB(FM) Henderson, Nevada
- KXNT(AM) North Las Vegas, Nevada
- KXQQ-FM Henderson, Nevada
- KXST(AM) North Las Vegas, Nevada
- KXTE(FM) Pahrump, Nevada<sup>1</sup>

Since the KXTE(FM) principal community is located beyond the Nielsen Audio Metro Las Vegas market boundary, an interim, contour-based analysis of the proposal is necessary. Under the Commission's interim, contour-overlap methodology, a market is defined as the area encompassed by the principal community contours of radio stations for which common ownership is proposed and which have an area of mutual, principal community contour overlap.

The attached map depicts the pertinent contours of the stations, the area of mutual contour overlap, and the market region (shown by yellow shading) that the station contours define. It also provides the locations and a tabulation of the forty-four operating, commercial and non-commercial, full-service, radio station transmitter sites located within the market region.<sup>2</sup>

The attached map was prepared using data retrieved from the CDBS engineering database. For AM stations, distances to the 5 mV/m contours were computed using a digitized version of the Commission's Figure M-3 estimated soil conductivity map along with a computer program that simulates the Commission's AM groundwave propagation curves. For FM stations, the 3.16 mV/m (70 dB $\mu$ ) contours were determined using digitized 3 arc-second terrain data along 360 equally spaced

---

<sup>1</sup> Nielsen Audio's Las Vegas Metro consists solely of Clark County. Pahrump, Nevada is located in Nye County, Nevada.

<sup>2</sup> This is a simplified study. A traditional study would include a "spaghetti map" showing stations having some principal community contour overlap with any part of the market. Although such a study may identify more than forty-four in-market stations, such a study was deemed unnecessary in this instance. To prevent overlapping labels, some station call signs listed in the tabulation were omitted from the attached map.

Engineering Statement  
**Interim Contour-Based  
Radio Multiple Ownership Study**  
Las Vegas, Nevada Market

radials and an implementation of the Commission's TVFMFS computer program that simulates the FM propagation curves.

According to §73.3555 of the Commission's rules, for an entity to have an attributable interest in six stations in a market, there must be at least 15 stations in the relevant market. With at least forty-four stations in this market, common ownership of six stations (not more than four in the same service) complies with the rule. Other stations proposed for common ownership are separated from the Las Vegas market by a great distance.<sup>3</sup> Therefore, according to the interim contour-overlap method, the proposal is in compliance with the Commission's Rules regarding the radio multiple ownership near Las Vegas, Nevada.

---

<sup>3</sup> The nearest facility proposed for common ownership is KVFG(FM) a Class A station in Victorville, California. The KVFG transmitter is 152 km distant from the nearest part of the Las Vegas market.

## **MULTIPLE OWNERSHIP SERVICE CONTOUR ANALYSIS**

**Prepared for  
Entercom License, LLC  
March 2017**

The attached analysis of compliance with the radio multiple ownership rules was prepared in accordance with the Rules and Regulations of the Federal Communications Commission, in connection with an application for transfer of control.

### **Unrated Market**

While Madison is a Nielsen rated market, station WOLX-FM is licensed to a community which is located outside the Madison metro definition, in adjacent Sauk County. Therefore an unrated market ownership study has been prepared to demonstrate full compliance with §73.3555 of the Commission's Rules.

As is demonstrated on the attached Ownership Overview Map, WOLX-FM has principal community contour overlap with all of the attributable stations in the area, forming a station cluster comprised of the following:

WOLX-FM	253B	Baraboo
WMHX	286A	Waunakee
WMMM-FM	288A	Verona

Analysis has been made consistent with the Commission's interim rules for unrated markets. The 70 dBu contours of FM stations were determined from the technical data contained in the most recent edition of the FCC FM Database. The listed antenna height above average terrain was used together with topographic data obtained from the digitized 30 second or 3 second database. The 5 mV/m daytime contours of AM stations were determined from the technical data contained in the

most recent edition of the FCC AM Database. The listed antenna parameter information was used together with a digitized version of the FCC M-3 or Region II ground conductivity database. The service contours were plotted using correct map projection mathematics. Those stations whose transmitter sites are within the respective principal community service contours of the stations proposed to be commonly owned have only the sites rather than their contours shown. All contours and enclosed transmitter site locations have been labeled. A list of all stations considered is included with this statement.

In counting stations providing service to the “market” defined by each of the discrete clusters formed in unrated markets, stations whose transmitter sites are located in excess of 92 km from the perimeter of the common overlap area have been excluded, as have other stations to be commonly-owned but which are not a part of the discrete cluster being studied.

This exhibit evidences at least the minimum number of stations necessary to demonstrate compliance with the rules concerning radio multiple ownership in unrated markets. In order to qualify for common ownership of this OAM/3FM cluster, there must be at least 6 stations in the relevant “market”. This study demonstrates that there are at least 22 stations in the relevant market.<sup>1</sup>

March 3, 2017

Erik C. Swanson

---

<sup>1</sup> For the sake of simplicity, this exhibit has been limited to other FM stations having transmitter sites within the principal community contours of the cluster being studied. In fact, numerous other stations have principal community contours which overlap those of the Entercom cluster.
