NOW, THEREFORE, in consideration of the foregoing mutual promises set forth in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, Buyer and Seller agree as follows:

Section 1. Sale of Assets. On the Closing Date (as hereinafter defined), Seller shall sell, assign and transfer to Buyer, and Buyer shall purchase and assume from Seller, the Permit for the Translator issued by the FCC. Seller shall transfer the Permit to Buyer at the Closing free and clear of all liens, claims or encumbrances of every kind and nature. Buyer shall not assume any agreements, contracts, leases or any other commitments or liabilities of Seller of any type or nature.

Section 2. Consideration. Buyer shall pay to Seller the aggregate sum of Fifty Thousand and No/100 Dollars (\$50,000) (the "Purchase Price") in cash by wire transfer of immediately available funds. Concurrently with the execution of this Agreement, Buyer shall deliver to Seller a non-refundable deposit of Fifteen Thousand and No/100 Dollars (\$15,000.00) (the "Deposit"). The Deposit shall be applied to the Purchase Price to be paid at Closing. All payments remitted under this Agreement shall be payable in U.S. Dollars by wire transfer of immediately available funds to an account, or accounts, designated in writing by Seller at least two (2) business days before the Buyer must remit the payments.

Section 3. FCC Consent; Assignment Application. Buyer and Seller shall execute, file and prosecute an application with the FCC (the "Assignment Application") requesting its consent to the assignment, from Seller to Buyer, of the FCC Permit for the translator (the "FCC Consent") as soon as possible after the execution of this Agreement and in any event not later than July 28, 2016. The FCC filing fee for the Assignment Application will be wholly paid by Buyer. Buyer and Seller shall reasonably cooperate with respect to the filing of a Modification Application in Buyer's name and account during the first filing window announced in the FCC Public Notice DA-1491, released December 23, 2015. Specifically, Seller shall associate Buyer's FRN with the translator promptly upon Buyer's request and provision of its FRN to Seller, and Seller shall provide written consent to Buyer under Section 73.3517 of the FCC's rules for Buyer to file the

Modification Application for the translator. The Modification Application shall be prepared by Buyer and Buyer shall be responsible for paying all fees and other expenses, including legal and engineering costs, associated with preparing, filing and prosecuting the Modification Application.

Section 4. Closing Date; Closing Place. The closing (the “Closing”) of the transactions contemplated by this Agreement shall occur, unless Buyer and Seller otherwise agree in writing, on or before five business days after the FCC shall have consented to assignment of the Permit to Buyer, and unless waived by Buyer, such consent shall have become a Final Order. The term “Final Order” means such consent shall no longer be subject to review, reconsideration, appeal, or remand under applicable laws and the rules of the FCC (the “Closing Date”). The Closing shall be held by mail, facsimile, or electronic mail, or in person as the parties may agree.

Between now and the date of Closing Seller shall not, without the consent of Buyer, enter into any leases or contracts pertaining to the Permit which will survive the Closing Date.

(b) Buyer hereby makes the following representations and warranties to Seller. Buyer is a corporation organized, validly existing and in good standing under the laws of the State of Ohio. Buyer possesses the power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereunder. Buyer is qualified to be an FCC permittee and to hold the permit. Buyer is financially qualified to pay the Purchase Price.

(c) These representations and warranties set forth herein shall survive for six (6) months following the consummation of this Agreement.

Section 6. Conditions Precedent to Obligation of Buyer to Close. The obligations of Buyer hereunder are, at its option, subject to satisfaction, at or prior to the Closing Date, of each of the following conditions:

(a) All representations and warranties of Seller made in this Agreement shall be true and complete in all material respects on and as of the Closing Date as if made on and as of that date;

(b) All of the terms, covenants and obligations to be complied with and performed by Seller on or prior to Closing Date shall have been complied with or performed in all material respects;

(c) No suit, action, claim or governmental proceeding shall be pending, and no order, decree or judgment of any court, agency or other governmental authority shall have been rendered against, any party hereto that would render it unlawful, as of the Closing Date, to effect the transactions contemplated by this Agreement in accordance with its terms;

(d) Seller shall have delivered to Buyer, on the Closing Date, all of the documents required to be delivered pursuant to Closing Deliveries;

(e) The Translator Permit shall be in full force and effect; and

(f) The FCC Consent shall have been issued and shall have become a Final Order.

Section 7. Conditions Precedent to Obligation of the Seller to Close. The obligations of Seller under this Agreement are subject to the satisfaction of each of the following express conditions precedent, unless waived in writing by the Seller:

(a) All representations and warranties of Buyer made in this agreement shall be true and complete in all respects on and as of the Closing Date as if made on and as of that date.

(b) Buyer shall have performed and complied in all material respects with all of the agreements, obligations and covenants required by this Agreement to be performed or complied with by Buyer prior to or as of the Closing Date;

(c) Buyer shall have delivered to Seller, on the Closing Date, the payments and all of the documents required to be delivered pursuant to Closing Deliveries (as defined in Section 8 herein); and

(i) a Bill of Sale; and

(ii) an Assignment and Assumption of the Translator Permit.

(b) Prior to or at the Closing, Buyer will deliver to Seller the following, each of which shall be in form and substance satisfactory to Seller and its counsel:

(i) the Purchase Price required by Section 2; and

In the event either party terminates this Agreement, Seller shall retain the non-refundable deposit, unless the termination is due to the breach of this Agreement by Seller, in which case Seller shall return the deposit to Buyer. . In the event of a material breach of this Agreement by Seller, instead of termination of this Agreement and seeking damages from Seller, Buyer shall alternatively have the right to seek and obtain specific performance of the terms of this Agreement, it being agreed by Seller that the Purchased Assets are unique assets. If any action is brought by Buyer pursuant to this subsection to enforce this Agreement, Seller shall waive the defense that there is an adequate remedy at law. In the event of termination of this Agreement by Seller as a result of an uncured breach of this Agreement by Buyer, Seller's sole and exclusive remedy shall be retention of the Deposit as liquidated damages. If the Closing has not occurred within twelve (12) months after the date of this Agreement, then either party may terminate this Agreement, provided, however, that the right to terminate this Agreement under this Section 9 shall not be available to any party whose failure to fulfill any obligation under this Agreement shall have been the principal cause of, or shall have resulted in unreasonable delay in the Closing.

Section 10. Notices. All notices, demands, requests or other communications that may be or are required to be given, served or sent by either party to the other party pursuant to this Agreement shall be in writing and shall be transmitted by overnight courier or hand delivery, addressed as set forth below. Each party may designate by notice in writing a new address to which any notice, demand, request or communication may thereafter be so given, served or sent. Each notice, demand, request or communication that is delivered in the manner described above shall be deemed sufficiently given, served, sent and received for all purposes at such time as it is delivered to the addressee with the delivery receipt or the affidavit of messenger being deemed

conclusive evidence of such delivery or at such time as delivery is refused by the addressee upon presentation.
