<sup>1</sup> The short-spacing with WPKL resulted from the increase in the minimum distance separations in BC Docket No. 80-90 and, as such, Section 73.213(c)(1) applies. Pursuant to Section 73.213(c)(1), WSHH can operate with maximum Class B facilities, or equivalent, with respect to the WPKL short-spacing.

<sup>2</sup> Licensed WSHH operation.
