## **ANTENNA SURVEY CERTIFICATION**

---

Dear Mr. Strausbaugh,

The undersigned hereby certifies that the survey baseline stakes at the above referenced site, also known as F.C.C. Antenna Structure 1057470, were set November 30, 2008 under his direct supervision. Baseline stakes were set on the design azimuth for the proposed antenna direction of 300 degrees, and on a baseline azimuth of 0 degrees, North.

  
Alan A. Lamoureux, Professional Land Surveyor  
N.J. License No. 27521
