

EXHIBIT 1
FCC Form 316

This application for the involuntary assignment of the Construction Permit^{*/} for Station WHPN-TV held by Puri Family Limited Partnership (the "Assignor") is being filed pursuant to 47 C.F.R. §73.3541(b) and Item A.8 of the FCC Form 316 General Instructions, which allow the use of Form 316 for involuntary assignments of FCC authorizations to a court-appointed trustee in a Chapter 11 bankruptcy proceeding.

On December 3, 2001, the United States Bankruptcy Court for the Western District of Wisconsin issued an Order appointing Michael E. Kepler as Chapter 11 trustee in the case of Puri Family Limited Partnership, Debtor (Case No. 01-34477-11). A copy of the Order is attached.

On August 3, 2001, the Assignor filed a petition for bankruptcy under Chapter 11 of the U.S. Bankruptcy Code. At that point, the Assignor became Debtor-in-Possession with respect to the Construction Permit for Station WHPN-TV. For reasons not within the trustee's control, the Assignor did not file an application for involuntary assignment of the Construction Permit to Puri Family Limited Partnership, as Debtor-in-Possession. Thus, the trustee is now seeking Commission approval for an assignment from the current permittee for FCC purposes - Puri Family Limited Partnership.

The Order, upon the FCC's consent to the involuntary assignment of Assignor's FCC Construction Permit as requested by this application, empowers the trustee to: (1) operate the station or take such other appropriate action to conserve the business and assets of the station as is consistent with the FCC's rules and policies until a sale of the station's assets is confirmed and an acceptable purchaser is found, and (2) make all necessary applications with the FCC in order to effect the proper transfer or assignment of the Construction Permit after an acceptable purchaser is found.

The attached copy of the Order is submitted in place of the Assignor's signature as permitted by Item L of the FCC Form 316 General Instructions. With regard to those Assignor certification questions marked "Yes," the Applicant has responded to these questions affirmatively because the FCC's electronic database would not execute the electronic filing of the application without an affirmative answer to some questions (i.e. FCC Form 316, Section II, Questions 1, 6 and 9). Although the Applicant has no first-hand knowledge regarding the Assignor or its operation of WHPN-TV, to the best of Applicant's knowledge: (1) neither the Assignor nor any party to this application has or has had any interest in, or connection with any broadcast application in any proceeding where character issues were left unresolved or were resolved adversely against the Applicant or any party to this application; (2) neither the Assignor nor any party to this application has any pending broadcast application in which character issues have been raised; (3) with respect to the Assignor and each party to this application, no adverse finding has been made, nor has adverse final action been taken by any court or administrative body in a civil or criminal proceeding brought under the provisions of any law related to any felony, mass media-related antitrust or unfair competition, fraudulent statement to another governmental unit or discrimination; and (4) Assignor nor any party to the application is subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, U.S.C. Section 962. (See FCC Form 316, Section II, Questions 7-9).

^{*/} A Form 302-TV license application (BLCT-199906030LC) and a request for extension of Special Temporary Authority, dated January 26, 2001, are pending at the Commission.
