MISSION STATEMENT: Our mission is to promote the positive aspects of the Puerto Rican culture in all its forms in a historical context with the Caribbean and Latin America.

VISION STATEMENT: Our vision is to create a perpetual awareness of our historic and cultural reality in all Puerto Rican citizens here and abroad.

EDUCATIONAL PROGRAM:

“Taller Cultural Jaycoa, Inc.” is a nonprofit Organization established in July 19, 1989 under the Laws of the Commonwealth of Puerto Rico with the Mission of promoting all the positive aspects of the Puerto Rican culture in all its forms and in historical context with the Caribbean and Latin America.

Our vision is geared toward establishing a perpetual awareness of our historic and cultural reality in all Puerto Rican citizens here and abroad.

For the past 24 years our Organization has had the opportunity to establish a mutually beneficial rapport with our community through the many activities in which we have been involved. These activities have been carried out using methods, activities, and components aimed at achieving our Mission and Vision Statements mentioned above.

The three fundamental aspects that we keep as a rule in all our activities are **education, information,** and **entertainment.** This has helped us stay focused in our responsibility and professionalism toward accomplishing our Mission and Vision Statements and establishing our credibility and trustworthiness with our fellow citizens.

We have used publications in local and national newspapers and magazines; public activities; and television and radio broadcasts in commercial radio stations, especially in the Northwest part of Puerto Rico.

The acquisition of a LPFM license will help our Organization greatly in our endeavor to help our community; it is a crucial complement to continue toward our commitment and social goals.

Here we present a preliminary summary of what Taller Cultural Jaycoa, Inc. plans to develop in terms of Programming at its radio station here in Aguadilla, Puerto Rico.
