Telecommunications Consultants

Re: Call Sign WWNA, Aguadilla, PR
Dominga Barreto Santiago

Dear Doug Vernier:

Thank you very much for the copy of your FCC application sent to us in accordance with the Puerto Rico Coordination zone agreements. We have considered the technical aspects of your application and find that your installation/path originating is unlikely to cause harmful interference to the passive use of the Radio Astronomy bands at the Observatory. We therefore have no objection to your proposed installation.

Sincerely yours,

Ángel M. Vázquez
Spectrum Manager
