Re: KRTZ (FM), Cortez, Colorado  
Facility Identification Number: 16435  
Winton Road Broadcasting Co. LLC  
Special Temporary Authorization  
BESTA-20121127AGR

Dear Counsel:

This is in reference to the request filed November 27, 2012, on behalf of Winton Road Broadcasting Co. LLC ("WRB"). WRB requests a ninth extension of the special temporary authority ("STA") granted on July 17, 2006, to operate Station KRTZ with reduced power.<sup>1</sup>

WRB recently filed a modification of license application, file no. BMLH-20121211AAV. We have reviewed this application and found it acceptable for filing, and it is being granted separately this date. Consequently, further extension of the reduced power STA is no longer necessary, and the November 27, 2012 request is DISMISSED.

Sincerely,

Dale Bickel  
Senior Engineer  
Audio Division  
Media Bureau

cc: Winton Road Broadcasting Co. LLC

---

<sup>1</sup> KRTZ is licensed for operation on Channel 254C (98.7 MHz) with effective radiated power of 27 kilowatts (H&V) and antenna height above average terrain of 884 meters.
