**Re: MB Docket No. 03-15
KXLT-DT, Rochester, Minnesota (Facility ID No. 35906)
Replication/Maximization Interference Protection Deadline**

Dear Ms. Dortch:

On behalf of SagamoreHill of Minnesota Licenses, LLC ("SagamoreHill"), the permittee of digital television ("DTV") station KXLT-DT, Rochester, Minnesota (Facility ID No. 35906), we hereby advise the Commission that KXLT-DT is not subject to the July 1, 2006 interference protection deadline.

SagamoreHill holds an outstanding construction permit for KXLT-DT, FCC File No. BMPCDT-20060615ABX, that expires after July 1, 2006. Accordingly, KXLT-DT must satisfy its replication/maximization requirements by December 23, 2006, the expiration date specified in its construction permit, rather than July 1, 2006. *See Public Notice, DTV Channel Election Issues – Compliance with the July 1, 2006 Replication/Maximization Interference Protection Deadline; Stations Seeking Extension of the Deadline*, DA 06-1255, at 3 (rel. June 14, 2006); *Second Periodic Review Report and Order, Second Periodic Review of the Commission's Rules and Regulations Concerning the Transition to Digital Television*, MB Docket No. 03-15, FCC 04-192, ¶ 84 (rel. Sept. 7, 2004).

Concurrently with this filing, SagamoreHill is requesting an extension of KXLT-DT's special temporary authority to operate at reduced power while it continues to construct the facilities specified in KXLT-DT's construction permit. SagamoreHill intends to complete such construction and file the necessary license application by December 23, 2006.

Marlene H. Dortch, Secretary
