As shown on the attached contour analysis map, there will be at least eight (8) radio stations in the local radio market that includes the Proposed New FM on Channel 297C1 at Fernley, Nevada (FIN 166018):

KHWG(AM), Fallon, Nevada (FIN 135862);

KVLV(AM), Fallon, Nevada (FIN 36243);

New FM on Channel 281C at Fallon, Nevada (FIN 165338); and

Proposed New FM on Channel 297C1 at Fernley, Nevada (FIN 166018).

Shamrock Communications, Inc. ("Shamrock"), the licensee of KZHD(FM), Lovelock, Nevada (FIN 164200) and the permittee of the New FM on Channel 281C at Fallon, Nevada (FIN 165338), will have a cognizable interest in the proposed New FM on Channel 297C1 at Fernley, Nevada (FIN 166018) upon the grant of the construction permit proposed in the instant application. While there are many other radio stations that can be included in the local radio market that includes the proposed New FM on Channel 297C1 at Fernley, Nevada (FIN 166018), it is clear that Shamrock will comply with the FCC's local radio ownership rule since Shamrock will have cognizable interests in only three (3) FM stations in this local radio market. 47 C.F.R. 73.3555(a)(1).
