In re: NEW(FM), Cactus City, CA
BNPFT-20130326AIJ
Facility ID # 141317

Dear Applicant:

This refers to the above-captioned application for a new FM translator station in Cactus City, California.

Our review of the application has revealed that the proposal violates Sections 2.1.3 of the Agreement Between the Government of the United States of America and the Government of the United Mexican States Relating to the FM Broadcasting Service in the Band 88-108 MHz.

Section 2.1.3 requires that the proposed 60 dB μ contour can not extend more than 8.7 kilometers in the direction of Mexico. On the 180 degree radial, the proposed 60 dB μ contour extends 12.6 kilometers. This violation was not discussed.

Accordingly, Application BNPFT-20130326AIJ IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

for James D. Bradshaw
Deputy Chief
Audio Division
