**Subject:** BXLH-20051107AFN - WHOM (FM) - Mount Washington, NH - Program Test Authority

This e-mail is in response to your license application for auxiliary facilities filed November 7, 2005, which requests the reinstatement of automatic program test authority for the auxiliary facility for WHOM. You include exhibits to show that the RF condition on construction permit BXPB-20040301ABL will be satisfied by the licensee's installation.

Consequently, by this e-mail, program test authority IS GRANTED to permit WHOM (FM) to operate its auxiliary facility at an effective radiated power of 20.5 kW ERP (circularly polarized) with the facilities authorized in construction permit BPH-20040301ABL.

This authorization is being sent by e-mail in lieu of a letter for the same purpose in order to get this authority to you as soon as possible. Please print a copy of it and keep it with the station's records. The grant of this program test authority will also be noted in the FCC's CDBS database.

If there are any questions, please contact me at 202-418-2706.
