STATEMENT RE CHARACTER ISSUES

Munbilla Fort Hood, Ltd. (*MFHL*) is a sister entity of Munbilla Broadcasting Properties, Ltd. (*MBPL*), the applicant here and the permittee of radio station KYRT, Munbilla Broadcasting Properties, Ltd. (*MBPL*). Both *MFHL* and *MBPL* are under common control.

MFHL is the licensee of radio station *KHLE*(FM), Channel 295A, Kempner, Texas, FCC Facility ID No. 34948. *MFHL* has an application pending, FCC File No. BPH-20080625AAV, for a Construction Permit to make minor modifications to the licensed facilities of station *KHLE*.

On August 13, 2009, *MFHL* filed a minor amendment to application BPH-20080625AAV. On September 3, 2009, BMP Austin License Company, L.P., and Border Media Business Trust (collectively, *Border*), filed an Informal Objection with respect to *MFHL*'s application, as amended. In the Informal Objection, *Border* alleges that *MFHL*'s August 13 amendment constitutes a strike filing, an abuse of the Commission's processes, and a material misrepresentation to the Commission.

MFHL and *MBPL* are in the process of preparing a response to the Informal Objection.
