Re: WRNS(AM) (Facility ID No. 36944)  
Notification of Operation within Licensed Parameters

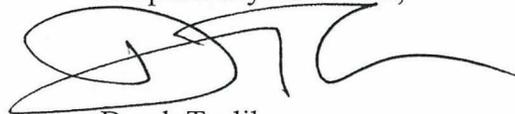

Dear Ms. Dortch:

On behalf of NM License, LLC ("NML"), licensee of WRNS(AM), Kinston, NC, we hereby notify the Commission that WRNS(AM) is now operating within parameters as specified in its license (BMML-20140324AFY) granted by the Commission on May 29, 2014.

On February 21, 2014, NM requested special temporary authority ("STA") to permit WRNS(AM) to operate with parameters at variance from its license. This STA (BSTA - 20140221AAS, as extended by BESTA-20140421ACV), which was granted February 27, 2014, is now moot. Therefore, NML hereby surrenders the STA.

Please contact me with any questions.

Respectfully submitted,

Derek Teslik
