Engineering Statement  
supporting a  
Flash Cut Application for a Licensed Station, BLTT19970106JJ  
Channel 16, Jacks Cabin, CO  
GUNNISON COUNTY METRO RECREATION DISTRICT

**BACKGROUND**

Applicant is applying to flash cut channel 16 to digital operation. There will be an antenna pattern change for this station, K16DR.

**INTERFERENCE ANALYSIS**

Interference to the following station was studied using "Population Loss Studies" based on the "Longley-Rice Terrain Dependent Algorithm" in accordance with OET Bulletin 69.<sup>1</sup> Population loss for each station is less than 0.5% for full-service and Class A TV stations and less than 2% for LPTV and translator stations. Cell size for service analysis is 1.0 km/side. The distance increments for Longley-Rice Analysis is 1.0 km. Any discrepancies are noted below.

FULL SERVICE DTV and Class A Stations & LPTV/Translator Stations  
NONE

Prepared By:  
Gordon H. Allison  
Engineering Consultant
