

Response to  
Condition Number Eleven  
KOSI(FM), Denver, Colorado  
Construction Permit No. BPH-20010214ABZ  
January 2002

Station personnel advise that application has been made and a construction permit received to modify the auxiliary facility authorized by BPH-20000825AHG which brings this facility into compliance with Section 73.1675(a)(1).
