Dear Ms. Dortch:

CERTIFICATE OF COMPLIANCE

Pursuant to Paragraph III of the Compliance Plan adopted in connection with the Consent Decree, DA 16-787, released July 19, 2016, between (a) the Media Bureau of the Federal Communications Commission and (b) the Hyde County Board of Education, I hereby certify under penalty of perjury that, to the best of my knowledge and belief, noncommercial educational FM Station WHYC(FM), Swan Quarter, North Carolina is in compliance with the rules of the Federal Communications Commission. While all of the required reports were prepared and placed in the paper public file in a timely manner, the small staff of WHYC(FM) was unaware of and inadvertently overlooked the deadline for placement of all public file materials in the online public file. Thus, uploading of the station issues/programs lists was delayed until the matter was recently brought to the station's attention. As stated above, all of the reports have now been uploaded, and the online public file is currently in compliance with the Commission's rules.
