File number: BNPDTL-20100205ABO
Facility Id No.: 184465

Dear Applicant:

The application referenced above is dismissed

The licensee was sent a deficiency letter on March 15, 2012. You were given 30 days from the date of that letter to file an amendment to resolve the deficiency that was discovered during the initial review of your application as shown below. Amendments must be filed electronically. Failure to amend your application will result in the dismissal of the application.

Specifically, the proposal is predicted to cause interference to the following facilities:

1. K27LV-D, BNDVL-20100202AAU, Channel 10, Incline Village, NV.

Our records show that no amendment has been filed as of April 24, 2012, to resolve the above referenced deficiency. Our current interference analysis shows the same interference issues still exist as referenced above.

Sincerely

Hossein Hashemzadeh
Deputy Chief
