Each Board member holds a  $1/18$  voting interest. When  $1/18$  is expressed in decimal form, the result, when rounded to the second decimal place, is 5.56%.

No officer or other member of the Board of Directors holds an interest in any other broadcast station, newspaper, cable system or other medium of mass communications that would cause such officership or membership position to run afoul of the Commission's ownership limitations as set forth in Section 73.3555 of the Commission's rules.
