

Multiple Ownership Compliance Study
Media Logic, LLC
Sterling, Colorado Area
September 2013

This Multiple Ownership Compliance Study was conducted to determine if Media Logic, LLC can acquire KNNG (FM) at Sterling, CO; KSTC (AM) at Sterling, CO and KNEC (FM) at Yuma, CO and still be in compliance with §73.3555 of the Commission's Rules. Media Logic, LLC currently owns KFTM (AM) at Ft. Morgan, CO; KRDZ (AM) at Wray, CO; KATR-FM at Otis, CO and KSRX (FM) at Sterling, CO. Because none of these communities of license are located in any BIA Metro, this study utilizes the Commission's Interim Contour-Overlap methodology.

The commonly owned stations KFTM (AM), KRDZ (AM), KATR-FM, KSRX (FM), KNNG (FM), KSTC (AM) and, KNEC (FM) are shown in Exhibit #1. These stations form two radio markets. The subject area for Market #1 is comprised of the city grade contours of KATR-FM, KNNG (FM), KSRX (FM) and KSTC (AM) and is shown in Exhibit #2. All AM and FM services to the subject area in Market #1 are shown in Exhibit #3. Exhibit #4 is a tabulation of all services to the Market #1 subject area. The contour map in Exhibit #3 shows 17 services, including the 4 subject stations (1 AM and 3 FM). §73.3555(a)(1)(iii) states that a person or single entity (or entities under common control) may have a cognizable interest in licenses for AM or FM radio broadcast stations

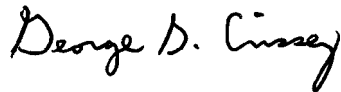

In a radio market with between 15 and 29 (inclusive) full-power, commercial and noncommercial radio stations, not more than 6 commercial radio stations in total and not more than 4 commercial radio stations in the same service (AM or FM);

The subject area for Market #2 is comprised of the city grade contours of KATR-FM, KNEC (FM) and KRDZ (AM) and is shown in Exhibit #5. All AM and FM services to the subject area are shown in Exhibit #6. Exhibit #7 is a tabulation of all services to the Market #2 subject area. The contour map in Exhibit #6 shows a total of 14 services, including the 3 subject stations (1 AM and 2

FM). §73.3555(a)(1)(iv) states that a person or single entity (or entities under common control) may have a cognizable interest in licenses for AM or FM radio broadcast stations

In a radio market with 14 or fewer full-power, commercial and noncommercial radio stations, not more than 5 commercial radio stations in total and not more than 3 commercial stations in the same service (AM or FM); provided, however, that no person or single entity (or entities under common control) may have a cognizable interest in more than 50% of the full-power, commercial and noncommercial radio stations in such market unless the combination of stations comprises not more than one AM and one FM station.

Based on these findings, it is believed that the acquisition of KNNG (FM), KSTC (AM) and KNEC (FM) by Media Logic, LLC is in compliance with §73.3555 of the Commission's Rules. All statements contained herein are thought to be accurate and correct to the knowledge of the undersigned.
