In re: K219AW, Meeker, Colorado
Facility Identification Number: 12345
Educational Media Foundation
Special Temporary Authority

Dear Counsel:

This is in reference to the request filed June 7, 2007, on behalf of Educational Media Foundation ("EMF"), for extension of the special temporary authority ("STA") granted on December 7, 2006, to operate FM Translator K219AW at variance from its license. In support of the request, EMF states that its Application BPFT-20070309AAO, for modification of the K219AW facilities, is pending.

Our review indicates that Construction Permit BPFT-20070309AAO was granted on July 18, 2007, and that License BLFT-20070724ADS was granted on October 5, 2007. Thus, STA is no longer necessary.

Accordingly, the request for extension of STA IS HEREBY DISMISSED. This action is taken pursuant to 47 CFR Section 0.283.

Sincerely,

Charles N. Miller, Engineer
