

**Exhibit 6A**  
**Request for “Permit-But-Disclose” Status**

The instant application and other concurrently filed transfer of control applications request Commission consent to the transfer of control of authorizations issued by the Commission to subsidiaries of Tribune Company. The Applicants hereby request that such transfer of control applications be accorded “permit-but-disclose” status under the FCC’s *ex parte* rules. See 47 C.F.R. § 1.1200 *et seq.* Designation as a permit-but-disclose proceeding would serve the public interest by permitting a full exchange on the issues under consideration by the Commission. Classifying the proceeding as permit-but-disclose also would facilitate the development of a complete record upon which a well-reasoned decision can be made. Accordingly, the Applicants ask that the Commission find, pursuant to section 1.1201(a) of the rules, that the permit-but-disclose *ex parte* procedures applicable to non-restricted proceedings will govern its consideration of these transfer of control applications. See 47 C.F.R. § 1.1206.
