

Hi Melvin --

Application BDCCDVL-20110824AAZ has been going nowhere with the required clearance from Mexico, so that application can be dismissed in order to allow application BDFCDTL-20121207AAB to proceed.

Joseph Shaffer is out of the country right now, and will not be back in the USA until January 22, 2013. Do you need a letter signed by Mr. Shaffer to dismiss the prior application?

The station for the subject application also has a pending companion channel application (BDCCDVL-20110824AAZ) they cannot have both of these applications.
