ATTENTION: Mr. Jeff Baker

To Whom It May Concern:

**RE: CHAMBERSBURG (WIKZ) ANTENNA INSTALLATION
HAMILTON TOWNSHIP, FRANKLIN COUNTY, PA**

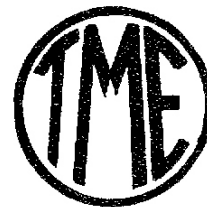

On December 10, 2009 the GPS control points were set and the tower was located using conventional survey methods. On March 5, 2010, the orientation of the WIKZ antenna was established from the above mentioned control points utilizing conventional survey methods with respect to True North reference. The margin of error is less than 0.5 degrees.

The direction of the WIKZ antenna is 270 degrees azimuth as referenced from True North.

Sincerely,

Thomas M. Englerth, P.L.S.
