Dear Applicant:

Within 30 days from the date of this letter, file an amendment to resolve the deficiency that was discovered during the initial review of your application. Amendments must be filed electronically. Failure to amend your application will result in the dismissal of the application.

Specifically, there is a tower height difference of 112.8 meters based on the following engineering analysis results:

The overall height above ground level of the tower as indicated in the above referenced proposal is 15.2 meters

The overall height above ground level of the tower based on the ASR registration search results using the ASRN number 1209819 as indicated in the proposed construction permit is 128.0 meters.

Sincerely

Hossein Hashemzadeh
