

**SUPPLEMENT TO STATEMENT REGARDING MULTIPLE OWNERSHIP**

By this application, Millennium Shore License Holdco, LLC ("Millennium") seeks to voluntarily acquire radio broadcast stations WADB(AM) and WJLK-FM, Asbury Park, New Jersey, and WBBO(FM), Ocean Acres, New Jersey, from Nassau Broadcasting II, L.L.C. One of the investors in Millennium, Alta/Millennium Corp., holds an attributable interest in radio broadcast station WPLY(FM), Media, Pennsylvania. The principal community contours of WPLY(FM) and WJLK-FM overlap. Accordingly, this supplement is being submitted to demonstrate that common ownership of these two stations complies with the Commission's multiple ownership regulations. See 47 C.F.R. § 73.3555(a).

Pursuant to Section 73.3555(a)(1)(iv) of the Commission's multiple ownership rules, in even the smallest radio markets, a party may own, operate, or control up to five commercial radio stations, not more than three of which are in the same service (AM or FM), except that a party may not own, operate, or control more than 50 percent of the stations in such market. As demonstrated in the Dataworld map and duopoly study, submitted on June 18, 2001, there are well over four stations in this market. Accordingly, the acquisition of WJLK-FM is in full compliance with the radio duopoly rule.
