Dear Applicant:

This letter refers to the above-captioned application to modify the television facility of station WHEC-TV, Rochester, NY.

The staff's initial review of your application revealed that this proposal is defective. The Commission sent you a letter on March 8, 2011, indicating that this application is defective and an amendment needed to be filed within (30) days to resolve this issue. WHEC-TV has not filed an amendment to the above referenced application as instructed. Thus, final processing of your application has been delayed.

It is not Commission policy, and we do not believe the public interest is served in allowing defective applications to remain pending. Therefore, your application is being **DISMISSED** pursuant to Section 73.3568(a) of the Commission's Rules.

Sincerely,

Kevin R. Harding
