Carl

If you could reply to Patrick with your assent using this email instead, which restates only the terms - that would be great. Please include your

name and title. Thanks.

WHEREAS, EMF and AEB desire to jointly consent to mutual contingent minor changes to the facilities of their stations, KZAI(FM), Coolidge, Arizona, and KAIC(FM), Tucson, Arizona, both licensed to EMF

2. AEB hereby agrees to request a minor modification of its KLKA(FM) facilities to change the channel, move to a new tower site and change the community of license from Globe, Arizona

3. The parties hereby agree to coordinate and concurrently file with the FCC applications to modify the facilities of their respective stations as described in this Agreement. The parties

agree that, other than the exchange of promises set forth in this

Agreement, no other consideration shall be paid or exchanged between the

4. EMF and AEB agree that no change in

facilities shall be effectuated by either party unless and until the FCC

has granted both parties' applications for their respective above
