Adopted Amendment to the By-laws of the Community Bible Church

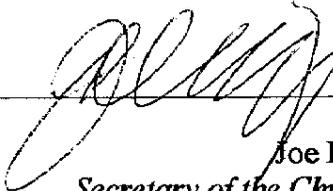

On Sunday, September 30th 2007 the members of the Community Bible Church voted unanimously to amend the Community Bible Church Constitution by adding the following two paragraphs to it's By-laws:

1. The Community Bible Church will remain a "local" organization within the meaning of Section 73.7000 of the rules and regulations of the Federal Communications (FCC) so long as the Community Bible Church is an applicant for, or the licensee of, a noncommercial educational FM radio station awarded, or sought to be awarded, to the Community Bible Church under the "Established Local Applicant" criteria set forth in Section 73.7003(b)(1) of the FCC's rules and regulations. Specifically, the Community Bible Church will maintain its headquarters or the residences of 75 percent of its board members within 25 miles of the reference coordinates (as defined in the FCC's rules) of the communities of license specified in the radio station authorizations granted to the Community Bible Church by the FCC by virtue of a claim under such established local applicant preference.
2. The Community Bible Church will, should it be awarded a preference by the FCC under the "Local Diversity of Ownership" preference set forth in Section 73.7003(b)(2) of the FCC's rules and regulations, maintain local diversity so long as it is the licensee of any noncommercial radio station awarded to it under such Local diversity of ownership preference. Specifically, neither the Community Bible Church, nor any officer or director of the Community Bible Church will acquire an attributable interest (as defined in Section 73.7000 of the FCC's rules) in any broadcast or translator station whose principal community contour overlaps that of any station authorized by the FCC to the Community Bible Church under such Local diversity of ownership preference.

The Secretary of the Community Bible Church Board of Elders is directed to revise the By-laws of the Community Bible Church Constitution to include the above new sections.
