Re: **Notification of Reduced Power Operation**
William Jewell College
Station KWJC(FM), Liberty, Missouri
Facility Identifier Number 72478

Dear Ms. Dortch:

This letter, filed in triplicate, on behalf of William Jewell College ("WJC"), the licensee of Station KWJC(FM), informs the Federal Communications Commission ("FCC"), pursuant to Section 73.1560(d) of the Rules, that the Station has been operating at reduced power since May 10, 2015. Severe weather damaged the KWJC antenna, so, WJC authorized its local engineer to replace it. A new antenna has been ordered and should be delivered within four to six weeks. Given the anticipated delivery date, WJC is planning to file a formal request for Special Temporary Authority in early June 2015.

If you have any questions about this Notification, please contact undersigned counsel for William Jewell College.

Sincerely,

Mark Lipp
