Re: KPZE-FM, Carlsbad, New Mexico - Facility ID 77842
Notice of Resumption of Full-Power Operation

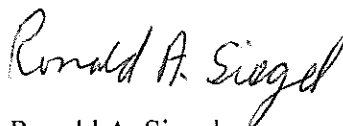

Dear Ms. Dortch

On behalf of Pecos Valley Broadcasting Company, licensee of Station KPZE-FM, Carlsbad, New Mexico, the Commission is hereby notified that, on August 23, 2016, the station resumed full-power operation.

On January 27, 2016, Pecos Valley informed the FCC that KPZE-FM temporarily suspended operation on January 19, 2016 due to a malfunction with its transmitter. On February 2, 2016, Pecos Valley informed the FCC that, on January 30, 2016, KPZE-FM resumed operation, but with reduced power. On February 16, 2016, Pecos Valley filed a request for Special Temporary Authority (File No. BSTA-20160216ABS) for authority to continue to operate with reduced power, and the STA was granted on February 25, 2016. The STA is no longer needed due to the completion of equipment repairs and the resumption of full-power operation.

Please direct any questions concerning this matter to the undersigned counsel for Pecos Valley.

Very truly yours

Ronald A. Siegel
