April 16, 2008

To Whom It May Concert:

I, Paul S. Buchele, a Registered Land Surveyor in Georgia, do hereby certify that on April 11, 2008, the WSVH-FM antenna located on a tower in Pembroke, Georgia was oriented to an azimuth of 95 Degrees True North, based on both GPS and Conventional surveying equipment.

Sincerely,

Paul Buchele
Georgia Registered Land
Surveyor No. 2633
