RE: University of Utah applications for a power increase
at the Panguitch, Utah TV Translator site.

Mr. Hashemzadeh:

Garfield County is the licensee of K38KF-D, K39JG-D, K40JL-D, K44IU-D, and K46JI-D at the Panguitch, Utah TV Translator site.

The University of Utah is currently making application for an increase in power to the following digital translators at the Panguitch, Utah site: K41KA-D and K43KL-D.

Garfield County will also be making application for an equal increase in power to K38KF-D, K39JG-D, K40JL-D, K44IU-D and K46JI-D.

Garfield County is working with the University of Utah to accomplish this digital translator power increase at the Panguitch, Utah site and therefore accepts any interference that may occur with this change.

Respectfully,
