

**EXHIBIT I**

**REQUEST FOR SPECIAL TEMPORARY AUTHORITY**

**TV Translator K35GU I.D. 130964 Ruidoso, New Mexico**

Eastern New Mexico University, licensee of television translator station K35GU, is requesting Special Temporary Authority to Remain Silent due to damage to equipment resulting from a severe winter storm that occurred at the Buck Mountain Electronic transmitter site near Ruidoso, New Mexico. Because of the facility's remote mountain-top location, continuing weather conditions may not permit repair and resumed operations until later this year.
