Channel 245

Calvary Chapel of Twin Falls, Inc.(CCTF) is operating W219CV(under CP Call sign W273AH), Raymond, MS, which is a licensed satellite FM Translator operating on channel 219 with a CP to modify to Channel 273, W273AH. However, when the file window opened in March 2003, there was an opportunity to locate a commercial NCE FM Translator within the area of Ridgeland/Jackson, MS, at this time not serviced by a listenable signal of W219CW. Because of this, CCTF will no longer need the commercial frequency of W273AH(with an intended re broadcast via W214BE) and will continue to re broadcast by satellite the Primary Station KAWZ, Twin Falls on licensed FM Translator W219CW. Specified on this application will be W273AH because the CDBS Public Access database does not show the licensed Call sign of W219CV. CCTF intends to continue to operate both W219CV and W214BE, Raymond, MS as a FM Translatos of KAWZ, Twin Falls and KEFX, Twin Falls. CCTF is also applying for a commercial translator in Ridgeland, MS on channel 257 to re broadcast W214BE a satellite NCE FM Translator of KEFX, Twin Falls, which is not the same signal as KAWZ, Twin Falls.
