## **CERTIFICATION**

I, Jeff DePolo, hereby certify and declare that:

1. I personally witnessed and supervised the field installation of the WRTQ antenna to ensure that it was properly assembled and installed in accordance with the documentation provided by Electronic Research, Inc., the antenna manufacturer.
2. I have been involved in broadcast and radiofrequency communications in general for over fifteen years during which time I have supervised the installation of FM directional antenna systems on multiple occasions.
3. I have served as the Director of Engineering for Temple University Public Radio's network of six non-commercial FM broadcast stations and six FM translator stations since 1995.
4. I have prepared numerous applications submitted to the Federal Communications Commission which have been found acceptable and grantable for both Temple University as well as other Broadcast Sciences clients.
5. All of the information contained in the instant application is true and accurate to the best of my knowledge and belief.
6. My other qualifications are a matter of record with the Federal Communications Commission.
