Austin Airwaves, Incorporated
By-Law Amendment
August 22nd, 2007

The Corporation shall, through the licensing and operation of non-commercial, educational (NCE) radio stations, strive to provide programming and services by, for, and to:

- All genres of Texas and American music, musical groups and educational organizations; especially those from the local region between New Orleans, Louisiana to Austin, Texas,
- Children and young people, including outreach to area schools and educational organizations and agencies,
- Non-English and English as a second language (ESL) speakers; including Spanish, Czech and German speakers,
- Local, Texas and national community, educational and public interest groups, as well as political candidates for public office,
- Public safety and health agencies, providers and educators; including local, Texas and national organizations and agencies. Natural disaster preparedness and evacuation information for tornados, hurricanes, fires, floods and other natural disasters,
- Radio theatre actors and practitioners, including live Shakespearean and other performances,
- Local, Texas, national and international news; especially those providing views and sources not represented in the commercial or corporate media, and,
- Other programming to serve the community needs.

The Corporation is a Texas Non-Profit Corporation dedicated to civic, charitable and educational pursuits in the study and development of all aspects of the phenomenon and business of radio. Austin Airwaves, Inc. is organized for purposes and activities described in Section 501(c)(3) of the Internal Revenue Code, including:

- **Acquisition and management of licensed broadcast radio stations including commercial and non-commercial AM and FM stations, and to serve and fully qualify as a public telecommunications entity within the intent of 47 U.S.C. Section 397(12).**
- **The Corporation at all times shall maintain local diversity of ownership, as defined in FCC Rules and Regulations, Section 73.7003(b)(2), 47 C.F.R. Section 73.7003(b)(2).**
- **At no time shall the Corporation, any parent or subsidiary entity, any voting member, or any officer or Director of the Corporation, have an attributable interest in another radio station, including any license, construction permit or debt or equity position, if the principal community contour of such station would overlap in any part with the principal community contour of a new noncommercial radio station for which the Corporation files an FCC application for construction permit, October 12, 2007, in or near the area of Ellinger and/or Round Top, (Fayette County), Texas.**
- **The Corporation shall no amendments regarding matters of FCC eligibility, qualification, or preference in the application for radio licenses, unless such amendment is required, or is permitted with no detriment to the Corporation's qualifying or comparative position, under revisions to FCC rules, regulations or policies as they may occur from time to time.**

- **Support of Amateur (“Ham”) radio and public safety, emergency and governmental communications**
- **Research, production and distribution of educational materials for presentation to civic, academic, governmental and developmental organizations**
- **Acquisition, development and management of licensed commercial and non-commercial radio stations, including AM, FM, “low power” (LPFM) and experimental stations for educational purposes**
- **Acquisition and dissemination of information about Austin, Texan, and American radio, including German, Czech and other ethnic/language stations, Border (“X”) Radio, experimental radio stations, and related programs and materials**
- **Acquisition and dissemination of news/public affairs, music, arts and cultural content that make up the sound of radio programming**
- **Radio collectibles, publications, recordings and paraphernalia**
- **“Internet Radio,” and other to-be-developed means of delivering audio to a mass audience**
- **Other forms of point to point wireless communications**
- **Design and construction of broadcast towers and antenna systems**
- **Creation of good jobs in the radio industry**
