

Exhibit 4. Proposed K276AI & Primary KMOZ-FM Contour Map

This map displays the proposed 60 dBu contour for K276AI (green line) and the primary 60 dBu protected contour for KMOZ-FM (blue line). The map includes a grid with latitude and longitude markers (e.g., 108°W, 109°W, 39°N) and labels for various locations such as Rio Blanco, Rifle, Silt, New Castle, Parachute, De Beque, Collbran, Molina, Mesa, Palisade, Fruitvale, Redlands, Fruita, Mack, Westwater, Cisco, Thompson Springs, Gateway, Moab, Orchard Mesa, Whitewater, Glade Park, Grand Mesa, Cedaredge, Orchard City, Hotchkiss, Delta, Crawford, Paonia, Somerset, and Delta. The green contour is generally more localized, while the blue contour covers a much larger area, extending from the northwest to the southeast. A legend in the bottom left corner clarifies the colors: Green Contour is Proposed 60 dBu and Blue Contour is KMOZ-FM's Protected 60 dBu.

Green Contour is Proposed 60 dBu

Blue Contour is KMOZ-FM's Protected 60 dBu

Blue Contour is KMOZ-FM's Protected 60 dBu
