I have been asked to provide this letter as affirmation/certification of the intent of Franklin Pierce College to operate a low power FM radio station at a frequency of 105.3 FM at the following coordinates:

- 42 degrees 46 minutes 52 seconds north latitude
- 72 degrees 03 minutes 26 seconds west longitude
- 332.2 meters above mean sea level
- overall tower height above ground level of 33.8 meters
- radiation center of the antenna at 32.8 meters above ground level

These coordinates were filed electronically by Werner Poegel with various clarifications and amplifications on 10/21/02, 12/13/02, 12/19/02, 2/25/03, and 3/18/03 as requested and in cooperation with the F.C.C. and its engineering staff.

We appreciate the extra effort and time put in by your engineer Tung Bui in requesting additional minor modifications which the F.C.C. needed to move this project forward. I hereby affirm the above information as requested.

Sincerely,

George Hagerty  
President
