### **Description of Transaction**

By this application, Alum Springs Educational Corporation (“Alum Springs”), licensee of WDFB-FM, Danville, Kentucky, seeks consent to the involuntary transfer of control of Alum Springs from negative control by Mildred Drake to positive control by Mildred Drake. The filing of this application is necessitated by the death of Donald A. Drake, Mildred Drake’s husband. Mr. Drake has previously also exercised negative control over Alum Springs.

Donald A. Drake and Mildred Drake have served as the sole members of Alum Springs since the corporation’s creation. Mr. and Mrs. Drake also served as the sole officers and directors of Alum Springs. Pursuant to the terms of the organizing documents of Alum Springs, which are on file with the Commission, upon Mr. Drake’s death, Mrs. Drake became the sole member of Alum Springs, as well as its President and Treasurer. Mrs. Drake’s qualifications were previously approved by the Commission in the grant of an initial construction permit for WDFB-FM, FCC File No. BPED-19910415MI. Cynthia K. Pike has now also been appointed as Vice President & Secretary of Alum Springs but is not a member (see attached Certificate of Action).
