

DEMONSTRATION OF COMPLIANCE WITH MULTIPLE OWNERSHIP RULES

LC Media LP (“LC Media”), the licensee of KQIE (FM), Redlands, California, hereby demonstrates that the instant modification application fully complies with the Commission’s multiple ownership regulations.¹

KQIE (FM) is “home” to the Arbitron Riverside-San Bernardino, CA radio market. LC Media is not the licensee of any other AM or FM stations in the market. Neither does LC Media have any attributable ownership interests, whether by ownership, LMA, or JSA, in any other AM or FM station in the Riverside-San Bernardino market.

The most recent available Arbitron data for the Riverside-San Bernardino radio market reveals that there are 40 commercial and noncommercial radio stations in the market. *See* the BIA FCC Geographic Market Definition for Riverside-San Bernardino, attached hereto.² Under the broadcast multiple ownership rules, in a radio market with between 30 and 44 commercial and noncommercial radio stations, an entity may lawfully own, operate, and control up to 7 radio stations, only 4 of which may be in one class. Accordingly, LC Media’s interest in one FM station in the market is fully compliant with the multiple ownership rules.

¹ See 2002 Biennial Regulatory Review – Review of the Commission’s Broadcast Ownership Rules and Other Rules Adopted Pursuant to Section 202 of the Telecommunications Act of 1996 et al., Report and Order and Notice of Proposed Rulemaking, FCC 03-127, aff’d in part and remanded in part, Prometheus Radio Project, et al. v. FCC, 373 F.3d 372 (3rd Cir. 2004), stay modified, No. 03-3388 (Sept. 3, 2004) (“Report and Order”).

² Under the Commission’s multiple ownership rules, a modified contour overlap analysis is also required if any station subject to the application does not have its community of license located within the geographic boundaries of any Arbitron Metro. *See Report and Order* at ¶ 286. KQIE (FM) is assigned to the Riverside-San Bernardino Arbitron metro and Redlands, the community of license of KQIE is physically located in the Riverside-San Bernardino Arbitron metro market. LC Media does not have any attributable ownership interests in any other radio station outside any Arbitron Metro that has contour overlap with KQIE. Accordingly, a modified contour overlap analysis is not required.
