**Petition for Reconsideration**

Dear Licensee:

On April 8, 2021, you filed a petition for reconsideration (Petition)<sup>1</sup> of our action cancelling the license of Station DW233AO, Salem, Indiana (Station).<sup>2</sup> Based on the showing made in the Petition, this letter grants reconsideration, and reinstates the license and call letters.

Specifically, we find that the evidence presented in the Petition is sufficient to establish that the Station resumed operation prior to the one-year expiration period which would have ended at 12:01 a.m. on July 31, 2020. Therefore, we hereby reinstate the Station's license and the call letters, effective immediately.

Please direct any questions concerning the content of this letter to Victoria McCauley, Attorney, phone (202-418-2136), or e-mail ([Victoria.McCauley@fcc.gov](mailto:Victoria.McCauley@fcc.gov)).

Sincerely,

*Albert Shuldiner*
