

## Friends of Oshkosh Community Media

Ms. Dortch,

I am writing to you to request a name change for the license holder of our LPFM station. The organization itself remains the same, but the name has changed.

The name currently listed on the FFC license is Friends of OCAT and we would like it changed to Friends of OCM.

Here is our station info:

**Call Sign:** WOCT-LP

**Facility Id:** 131805

**Community of License:** OSHKOSH, WI

I have also included a copy of the Corporate Name Change document that was filed with the Secretary of State.

Please let me know if you require any additional information.

Sincerely,

Ron Harrell  
President, Friends of OCM

Dean Leisgang  
OCMS Communications Coordinator
