

## EXHIBIT 2b

### EDUCATIONAL PROGRAM

Caribbean Sports International ("CSI") is a non-profit, community based organization, which was incorporated in May 1977 to serve the Caribbean community located in the urban areas of Essex County, New Jersey.

CSI's mission is to educate, inspire, and entertain the Caribbean community through educational, sporting and cultural programs that reflect the diversity of the local communities. Additionally, CSI also seeks to provide the Caribbean community's youth with access to educational and athletic scholarships to further their education. Moreover, CSI's aim is to serve, with particular regard to, the Caribbean community that is all too often overlooked and under-represented by facilitating the exchange of cultural and intellectual ideas.

The LPFM radio station will allow us to reach the local community of Essex and the surrounding area. In addition, CSI will provide local news and educational programming of interest.

Our intention, therefore is to share the Caribbean culture with others, while at the same time provide news that will be of interest to all (Such as: local government and school news, weather, traffic alerts and important crime alerts, etc.

Additionally, we plan to work with the state and federal government to obtain the latest public service announcements and air them frequently.

Generally speaking, our program will consist of the following;

- Caribbean News and music
- Local Speakers
- Special schools programs
- Government produced PSAS
- Local News (Schools etc.)
- Local Charity events participation
- Live remotes and broadcast of local events.
