Dear Ms. Dortch:

Wyomedia Corporation ("Wyomedia"), the licensee of television station KFNB, Casper, WY, Facility No. 74256, hereby supplements the amendment to the assignee's portion of the above-referenced, pending application, to provide requested information in response to its request for a waiver of Section 73.1125 of the Commission's rules (hereinafter referred to as the "main studio rule"). The purpose of this request for waiver is to permit the location of the main studios of KFNR and KFNE at the main studio of KFNB.

KFNR is licensed to Rawlins, Wyoming which, according to 2000 Census data, has a population of 8,538.¹ KFNE is licensed to Riverton, Wyoming which has a population of 9,310 according to the 2000 Census.²

In addition to their small populations, neither Rawlins nor Riverton could support a broadcast station economically. In 1999, the median household income in Rawlins was \$36,600.³ In Riverton, the median household income was \$31,531.⁴ Both of these

numbers are significantly lower than the national median income in 1999, which was \$41,994.⁵

The unemployment rate for Carbon County, Wyoming, where Rawlins is located, was 2.8% in September, 2008, which is slightly higher than statewide unemployment rate for that month of 2.6%.⁶ The September, 2008 unemployment rate in Fremont County, where Riverton is located, was 3.5%.⁷ According to 2000 Census statistics, 13.7% of individuals living in Rawlins and 15.4% of individuals living in Riverton were below the poverty level, compared to 12.4% of individuals nationwide.⁸

Wyomedia will also have a local public affairs representative, who may be a volunteer, available in the Rawlins and Riverton communities. This local representative will, at least on a quarterly basis, conduct interviews and surveys of local community leaders and other residents to ascertain the interests, concerns, and needs of Rawlins and Riverton area viewers. Wyomedia will then address the recurrent issues, problems, and needs of the residents of these communities in its programming. Wyomedia's local representative will further serve as a liaison between the residents of Rawlins and Riverton and Wyomedia's programming personnel.

In view of the foregoing, Wyomedia requests that the Commission find pursuant to Section 73.1125(b)(2) of its rules that the public interest will be served by the consolidation of KFNR's and KFNE's main studios with KFNB's main studio, and authorize Wyomedia to maintain KFNR's and KFNE's main studios outside of and more than 25 miles from the reference coordinates of the centers of Rawlins and Riverton, Wyoming.

Very truly yours,

Toni Lattea,
Secretary and Treasurer
