

## EXHIBIT I

First a correction. The applicant is Moose Lake Adventist Broadcasting, not me. I am only the technical preparer of the amended application.

Therefore, kindly correct the first part of the application to read: Legal name of applicant Moose Lake Adventist Broadcasting Corp. Its mailing address is % Carl Hanson, Route 1, Box 560, Sturgeon Bay MN 55783-9661. Phone number: 281-372-8220. An e-mail address to use (not Carl's, but that of Pastor Terry Nennich) is:  
pastor\_terryn@hotmail.com

Contact representative name: Bruce F. Elving, Firm: FM Atlas,  
PO Box 336, Esko MN 55733-9413, Phone Number 218-879-7676. E-mail:  
FmAtlas@aol.com  
Technical Considerations

We propose to move the WMLA-LP (\*99.7 Moose Lake MN) site from 46-26-17; 92-45-56 to the following: 46-27-16; 92-45-55, a distance of less than 2 km (1.82 km to be exact), which is permitted for LP-100 stations.

Further, we note that the height above mean sea level of the site is 333.5 meters. Add to that the tower height of 13 m or a total height of 346.5 m. The center of radiation would be 333.5 plus 12.6 = 346.1 m.

The new 60 dBu contours for the eight principal radials for WMLA-LP thus will become:

0 degrees	-30.0 m
45 degrees	- 6.0 m
90 degrees	+11.0 m
135 degrees	+ 2.4 m
180 degrees	+19.1 m
225 degrees	+15.4 m
270 degrees	-14.1 m
315 degrees	-30.4 m

Total            -27.5 m, divided by 8 = -3.44 m above average terrain.

Principal community contour 205 degrees comes out to +18.8 m. This is an optional contour, not used in calculating antenna height above average terrain.

Each of the above radials comes out to 5.6 km, or rounded, 6 km, according to FCC reckoning, which utilizes a minimum of 30 m for all radials under that height. The coverage map would thus be a round 6 km circle centered at the Moose Lake Seventh-day Adventist Church building, located at Folz Boulevard and Hickory Avenue, Moose Lake MN.

Respectfully submitted April 28, 2002 (original date) and resubmitted Aug. 22, 2002 and again September 30, 2002, by Bruce F. Elving, technical consultant, WMLA-LP Moose Lake MN.
