Mr. Bill Ruck
San Francisco Community Radio, Inc.
P.O. Box 170697
San Francisco, CA 94117-0697

Dear Bill:

Thanks for contacting us regarding your proposal to apply for a new LPFM station for San Francisco. In the event that the FCC grants a Construction Permit, Sutro Tower, Inc. can accommodate the proposed antenna. However, please note that your antenna installation may require a Building Permit and associated Planning Commission approval prior to installation.

If you need any other information, please give me a call.

Sincerely,

A handwritten signature in blue ink, appearing to read "Eric".
