

**Engineering Statement  
In Support of an  
Amendment to a Pending Application  
BPH-20040217AEB  
WJOD(FM), Asbury, IA**

**Engineering Narrative**

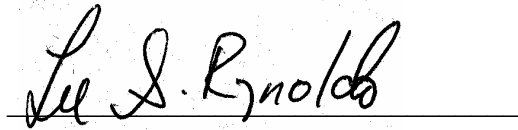

**General**

Cumulus Licensing, LLC, (licensee of WJOD) filed to collocate and duplex its facility with KLYV, Dubuque, Iowa in application BPH-20040217AEB. However, there was an error in the elevations used in that filing. The instant amendment seeks to correct the elevations and, as a result, modify the ERP slightly. No site location modification is necessary.

**Conclusion**

The instant amendment shows exhibits that correspond to the original February 2004 application for WJOD. WJOD still seeks collocation on the KLYV antenna, the proposed WJOD site is identical to the site proposed in the February 2004 application.
