

COMPLIANCE WITH MULTIPLE OWNERSHIP RULES

By way of the subject application, ABG Georgia, LLC. ("ABC Georgia") seeks a construction permit for minor modification of the facilities of radio station WKCN(FM), Lumpkin, Georgia. In addition to WKCN(FM), ABG Georgia owns radio stations WCGQ(FM), Columbus, Georgia, WRCG(AM), Columbus, Georgia, and WRLD-FM, Valley, Alabama.

Each of these four stations is "home" to the Columbus, Georgia Arbitron metro market. Attached is a BIA printout demonstrating that there are 21 stations in the Columbus, Georgia market. In a market with 21 radio stations, common ownership of up to six stations, four in the same service, is permissible under the Commission's rules. As ABG Georgia owns only four radio stations (three FM and one AM) in the market, the instant application easily complies with the local radio ownership rule.

FCC Geographic Market Definition for Columbus, GA
